

SCIENCE ACTIVITIES

Science Exhibition at school LEVEL:-

Our school hosted a Science Exhibition, showcasing MORDEN SCIENCE LAB EQUIPMENT and experiments by students. The event was a culmination of curiosity, creativity, and critical thinking. Students from various classes displayed their projects. The exhibits aimed to address real-world problems, promote sustainability, and demonstrate scientific concepts. The exhibition encouraged students to think creatively, develop problem-solving skills, and collaborate with peers. It also provided a platform for students to share their knowledge and learn from one another.

RSBVP/ RBVP:-

Through school exhibition 3 model were selected in 3 different theme for Regional level which was held at KV AFS 1 Pune. Following students selected at regional level:-

1. Aaryan R. Gole (Created oximeter)
2. Arindam kapat(created website for nearby and easy access to Hospitals)
3. Aarav Hitesh Shah (Model for to save ecosystem)

“Aarav Hitesh Shah”, a talented student from our school, has made us proud by securing 1st position in his theme and represented our school at the RBVP (KVS State-level Science Exhibition) at KIIT Bhubaneswar. This exhibition, held annually, showcases innovative science projects and experiments by students from various schools across the state.

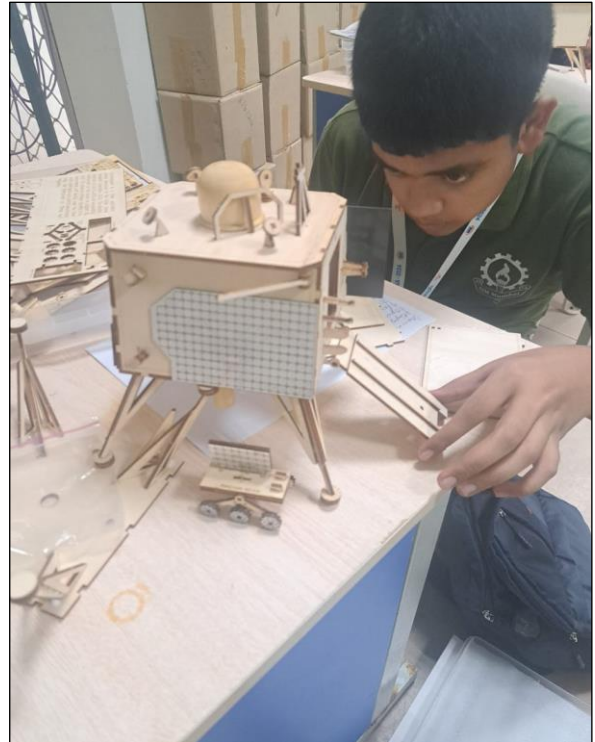

YUVIKA 2024 :-

THIS PROGRAM BY ISRO FOR YOUNG SCIENTIST/ SCHOOL students for class 9th.

78 students participated from our school. 3 students selected and they got chance to learn at ISRO centre at Trivandrum.

1. Aaryan Ramchandra Gole
2. Samarthya parab
3. Aaditya R Pillai

National Children's Science Congress (NCSC) is a forum to encourage inquiry -based learning for all children in the age group of 10-17 years .The programme is conducted every year .

NCSC (2023-24) has announced the theme Understanding ecosystems for health and well-being along with the sub themes.

Two students Diya Kulkarni and Aidah Sheikh of class VIII represented the Vidyalaya at regional level in junior group.

Aditya R Pillai of class

IX participated at regional level and has been selected at National level .His project was on the theme 'Know your ecosystem '.He brought himself and The Vidyalaya many accolades and recognitions.

Teacher included in these events:-

1. NCSC. - Neha Sharma (PGT physics)
2. YUVIKA. – Divya Vyas (TGT science)
3. RBVP. – Divya Vyas. (TGT science)
4. School science exhibition - All PGT and TGT of science department.
