

PM SHRI KENDRIYA VIDYALAYA

CMM, JABALPUR

WELCOMES

Dr. Amarpreet Duggal

Joint Secretary, Department of School Education & Literacy

PRESENTATION ON

IMPLEMENTATION OF PM SHRI SCHEME

PHASE - I

SIX PILLARS OF PM SHRI SCHOOLS

Pillar 1

Curriculum, Pedagogy & Assessment

Focus on NEP 2020 pedagogy & HPC.

Pillar 2

Access & Infrastructure

Green schools, ICT labs & smart tech.

Pillar 3

Human Resources & Leadership

Leadership & teacher competency.

Pillar 4

Inclusive Practices & Gender Equity

Equity, CWSN & girl child focus.

Pillar 5

Management, Monitoring & Governance

Portal monitoring & data driven.

Pillar 6

Beneficiary Satisfaction

Stakeholder feedback & SQAAF.

Implementation of PM SHRI Scheme

PHASE - I

Scope of Activities

A comprehensive approach categorized under two major financial heads to ensure holistic institutional development.

Recurring Head

Continuous activities, workshops & events

Non-Recurring Head

Infrastructure, assets & permanent upgrades

Key Focus Areas

Student Development

Holistic growth through academics & sports

Safety & Security

Physical and cyber safety measures

Environment

Green school initiatives & sustainability

Technology

Digital classrooms & smart learning

STUDENT DEVELOPMENT

Workshop on Life Skills

Empowering Futures: A Comprehensive Life Skills Workshop

This workshop is designed to equip individuals with essential competencies for personal growth and professional success. Discover practical strategies to navigate daily challenges, foster resilience, and build a foundation for a fulfilling life.

CAREER COUNCELLING

narzo 60 5G

Self Defence Training for Girls

More than 50 girl students participated

Adolescence Education Programme

Health & Well-being

Focused sessions on physical health, hygiene, and emotional well-being for students.

Safe Spaces

Creating secure environments for guided discussions and answering sensitive queries.

Expert Guidance

Sessions conducted by qualified resource persons and professional counselors.

Program Outcome

Building awareness, confidence, and essential life skills for adolescent years.

Adolescence Education Programme

An engaging Adolescence Education session at PM SHRI KV CMM, Jabalpur, fostering critical life skills and informed decision-making among students.

Students passionately present insightful posters on gender equality and 'Nayi Chetna 3.0', showcasing their understanding and commitment to social awareness.

Workshop on General Traffic Rules

Navigating Safely:

Road Safety Norms

Comprehensive education on road safety rules, traffic signage, and responsible pedestrian behavior.

Practical Demonstrations

Interactive sessions with demonstrations and quizzes to reinforce understanding of traffic laws.

Authority Collaboration

Partnerships with local traffic authorities to provide expert guidance and real-world insights.

Safer Commute

Instilling a safety-first mindset for daily commuting and creating aware future drivers.

Cyber Safety Awareness Programme

Fostering a Secure Digital Future: Cyber Safety Awareness Program

Digital Footprints & Privacy

Educating students on managing their online presence and protecting personal data privacy.

Password Hygiene

Training on creating strong passwords, enabling 2FA, and identifying phishing attempts.

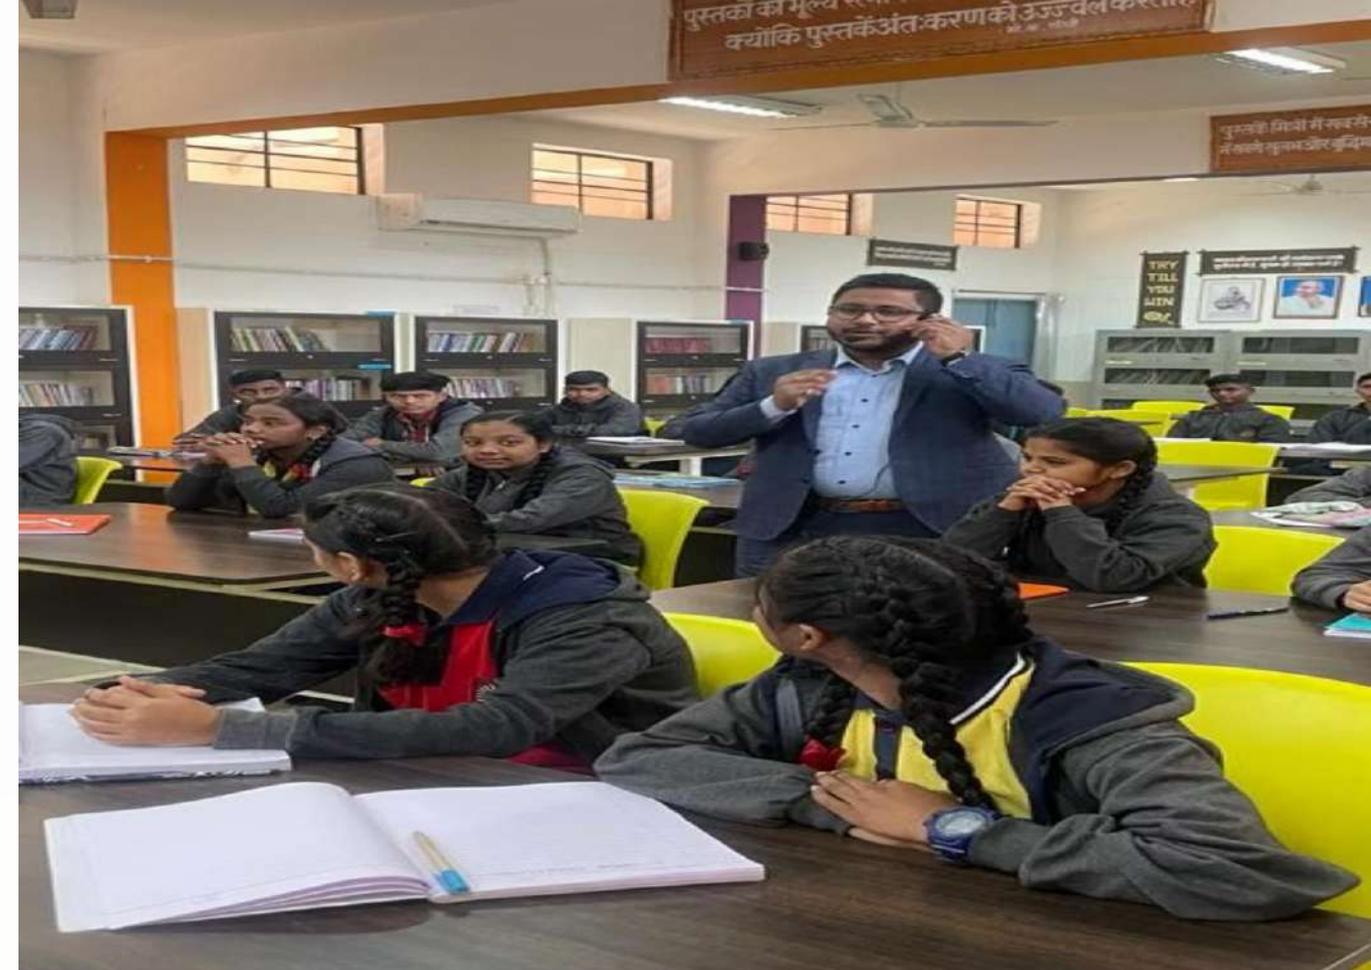

Reporting Mechanisms

Awareness of helplines (1930) and protocols for reporting cyberbullying or fraud.

Responsible Behavior

Fostering netiquette and safe, ethical online conduct among students.

21st Century Skills

Reading Promotion Week

Our annual Reading Promotion Week fosters a love for reading and literacy among students. Through various engaging activities, we aim to inspire young minds to explore the vast worlds within books. Below are some captivating moments captured during the week, showcasing students actively participating and discovering the joy of reading.

Exposure / Field Visit

Empowering Through Experiential Learning: Field Visits

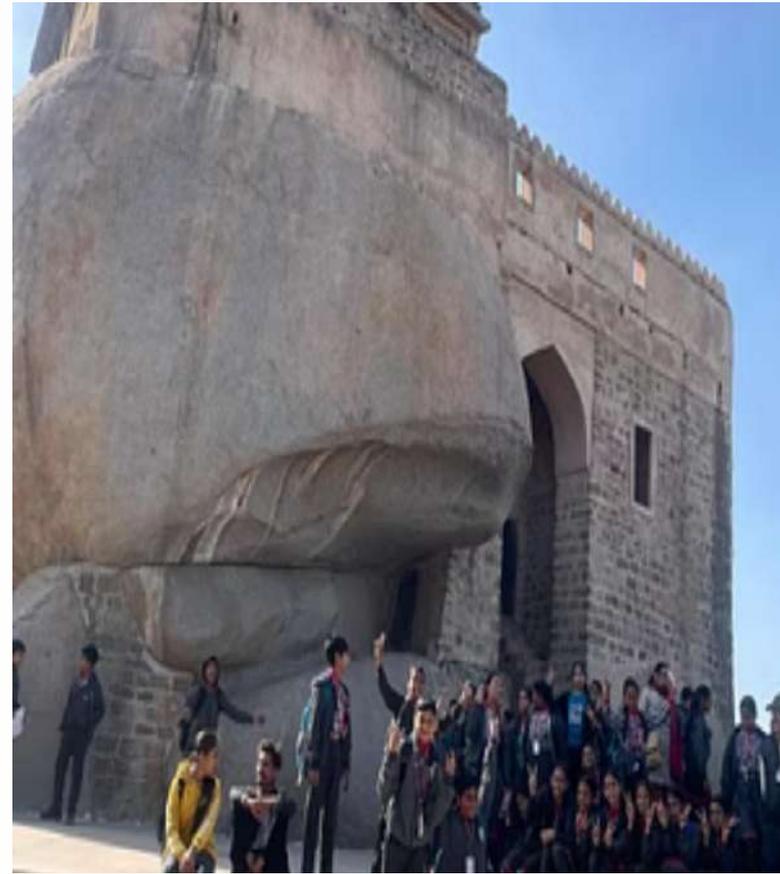

THE GRENADIERS MUSEUM

FOSSIL PARK

Students from PM SHRI KV CMM, Jabalpur, engage in enriching field visits such as and exposure programs designed for practical learning and broader perspective.

PM SHRI Initiative: Educational Excursions for Holistic Development

Annual Day Celebration

This special event brought together our entire community to honor outstanding achievements, showcase vibrant talents, and reinforce the strong bonds that define us. Explore the gallery below to see inspiring performances, heartfelt award presentations, and the joyful spirit of collaboration that made the day truly remarkable. More than 200 students participated.

Cultural Vibrancy: Annual Function

- ❖ A treasure trove of knowledge with thousands of titles.
- ❖ Music and dance rooms for creative expression.
- ❖ More than 250 students participated.

Pipe Band Team

The Resounding Spirit of Our Pipe Band

Experience the dedication and vibrant traditions of our Pipe Band. Through powerful melodies and precision, our talented team embodies a legacy of musical excellence and camaraderie.

STATE LEVEL RUNNER-UP

Grand Parents Day Celebration

Our annual Grandparents' Day celebration was a resounding success, filled with joy, laughter, and heartwarming moments. Students passionately honored their grandparents, recognizing their invaluable love, wisdom, and support. The event featured delightful performances and touching interactions, creating cherished memories for all generations present.

RECURRING ACTIVITY

SOCIAL ENGAGEMENT

Community Mobilization

Fostering Active Engagement

Parent & Community Outreach

Active engagement with parents and local community members to support school initiatives.

Volunteer Engagement

Organizing drives and events where community volunteers contribute their time and skills.

Partnerships & Collaborations

Establishing strong connections with local bodies and NGOs for resource sharing.

Outcome

Foster stronger school–community ties and a supportive ecosystem for students.

RECURRING ACTIVITY

Green Initiative under PM SHRI Scheme

Fostering Environmental Responsibility

Cultivating a Sustainable Future

The PM SHRI Green Initiative is dedicated to fostering environmental stewardship and promoting sustainable practices within our educational institutions and local communities. This program aims to inspire students and educators to actively participate in ecological preservation, nurturing a greener future through innovative projects, environmental education, and community engagement. Explore the vibrant efforts and impactful outcomes of our collective commitment to a healthier planet.

Art Integrated Learning

Fostering Creativity: Art-Integrated Learning Initiatives

Our program embraces Art-Integrated Learning, a pedagogical approach that connects various subjects with artistic expressions. This method not only enhances comprehension and retention but also cultivates critical thinking, creativity, and cultural awareness among students. By integrating art into the curriculum, we aim to make learning more engaging, experiential, and holistic, preparing students for a well-rounded future.

Incinerator and Vending Machine

Menstrual Hygiene Support

Comprehensive support system ensuring dignity and health for female students.

Vending & Safe Disposal

Installation of sanitary napkin vending machines and incinerators for eco-friendly disposal.

Awareness & Orientation

Regular sessions for students and staff on proper usage and hygiene best practices.

Clean & Dignified Facilities

Maintained clean, private, and hygienic facilities promoting overall well-being.

Activities under Non-Recurring Head

SECTION

Infrastructure Upgradation

Modernizing classrooms, labs, and staff rooms with ergonomic furniture

Digital Enablement

Smart classrooms with touch panels and computer lab enhancements

Sustainable Assets

Creation of compost pits and rain water harvesting systems

Interior White Wash

A Fresh Look for Your Interiors

Discover the timeless appeal of interior whitewash. This classic finish brings a luminous, expansive feel to any room, enhancing natural light and creating an atmosphere of serene elegance. Whether aiming for a rustic farmhouse charm or a clean, modern aesthetic, whitewashing offers a versatile and impactful solution. Explore our gallery to see stunning examples of spaces transformed by this beautiful technique.

Classroom Furniture

Senior Section

Ergonomic Seating

Ergonomic desks and chairs designed to provide proper posture support for senior students.

Spacing & Durability

High-quality, durable furniture arranged with adequate spacing for ease of movement.

Collaborative Learning

Flexible furniture layout that supports group activities and peer-to-peer interaction.

Enhanced Capacity

Seating capacity has been augmented section-wise to accommodate student strength effectively.

Classroom Furniture Junior Section

Age-Appropriate Design

Tables and seating specifically scaled for junior students to ensure comfort and proper ergonomics.

Safety First

Furniture features rounded edges and uses safe, non-toxic materials to prevent injuries.

Engaging Colors

Bright and vibrant color schemes designed to stimulate creativity and make the classroom inviting.

Improved Focus

Correct posture support helps junior students maintain attention and engage better in activities.

Lab Furniture

Specialized Lab Stations

Dedicated furniture for Physics, Chemistry, and Biology labs designed for specific subject needs.

Safety & Durability

Chemical-resistant surfaces and safety-compliant designs to ensure secure experimentation.

Utility Integration

Modern workstations equipped with integrated storage, sinks, and necessary utility connections.

Enhanced Practical Learning

Creating an environment that fosters scientific inquiry and supports hands-on practical work.

Staff Room Primary Section

Inspiring Environments for Primary Educators

Workstations & Storage

Dedicated workstations equipped with ample storage for teachers' resources and personal items.

Collaborative Seating

Layout designed with collaborative seating and notice boards to facilitate interaction and team planning.

Ergonomics & Productivity

Ergonomically designed furniture to reduce fatigue, enhance comfort, and boost teacher productivity.

Conducive Environment

A well-organized, professional space that serves as a conducive planning environment for academic excellence.

Upgradation of Library Furniture

Modular Shelving

Installation of modern modular shelving and organized catalog areas to enhance book visibility and access.

Reading Nooks & Discussion

Creation of comfortable reading corners and collaborative tables to foster group discussions and love for reading.

Digital Corner Readiness

Furniture designed to support digital devices, enabling seamless integration of e-resources in the library.

Student-Friendly Layout

Ergonomically designed furniture with a layout optimized for student movement, comfort, and safety.

e-Classrooms

Modernizing Education through Technology

Explore our newly equipped e-classrooms, meticulously designed to foster interactive learning and provide students with access to cutting-edge digital resources. These modern, technology-rich environments are pivotal in enhancing the educational experience and preparing students for the future. Here are the key features:

Interactive Learning

Engaging tools and methods to promote active participation.

Digital Resources

Access to a vast library of online materials and educational content.

Technology Integration

Seamless incorporation of advanced tech for improved teaching and learning.

Student Engagement

Environments designed to captivate and motivate students.

Our State-of-the-Art e-Classrooms

36 Classrooms

Equipped for the future of learning.

Interactive Learning

Foster dynamic student participation.

Effective Education

Optimized **for** enhanced comprehension.

Modern Technology

Integrated cutting-edge digital tools.

Engaging Environment

Captivate and motivate every student.

Our 36 classrooms feature advanced touch panel technology, designed to enhance interactive and effective learning for all students.

NON-RECURRING ACTIVITY

ECO-INITIATIVE

Construction of Compost Pit

Sustainable Waste Management: Our Campus Compost Pit

NON-RECURRING ACTIVITY

SUSTAINABILITY

Rain Water Harvesting

Harnessing Nature's Bounty: Advanced Rainwater Harvesting

01

Collection

Rainwater is gathered from rooftops and other surfaces.

02

Storage

Collected water is stored in tanks or reservoirs for later use.

03

Filtration

Water is filtered to remove debris and impurities, making it safe.

04

Usage

Filtered water is utilized for irrigation, non-potable household needs, etc.

05

Sustainability

Reduces reliance on municipal supplies and conserves natural resources.

GLIMPSES OF THE VIDYALAYA

Academic Excellence

Modern Classrooms

Equipped with interactive smart boards and ergonomic furniture.

Science Labs

Where curiosity meets discovery through hands-on experiments.

Digital Literacy

Advanced computer labs fostering 21st-century tech skills.
