

Principal's Message on Swachhta Pakhwada

Dear Students,

Keeping our surroundings clean is a mark of respect for ourselves, our community, and our nation. Cleanliness not only keeps us healthy but also contributes to a beautiful and sustainable environment. The Government of India's Swachh Bharat Mission is a call for every citizen to take responsibility in making our country cleaner and greener. I urge each of you to maintain hygiene, avoid littering, and set an example for others. Together, our small actions can make a big difference for our school and for the future of our nation.
