Notes: Grades follow the CBSE 9-point scale (A1 highest to E lowest; E denotes failure in that subject). "Compartment" indicates the candidate must clear one or more subjects in a supplementary exam; the subject code(s) are shown in brackets. Subject code 845 could not be matched to a standard CBSE subject list and is reported as-is, consistent with the reference analysis (which also lists it as "Unknown"). Pass % and Mean are computed directly from the recorded marks. The CBSE "Performance Index (PI)" shown in official gazettes uses an internal CBSE formula that is not derivable from the raw marksheet and has therefore been omitted here.
