Principal's Message

It is a matter of great jubilation that KV DRDO is coming out with yet another edition of its CMP newsletter. As APJ Abdul Kalam puts it, "When learning is purposeful, creativity blossoms."

When creativity blossoms, thinking emanates. When thinking emanates, knowledge is fully lit. When knowledge is lit, economy flourishes. "At KV DRDO, we foster the spirit of enquiry and joy in learning without losing sight of the rich cultural heritage and Indian value system in keeping with the ethos of KV.

This newsletter endeavours to showcase the multifarious activities of our spirited students, their aspirations and inspiration, their zeal and creativity throughout the year. I would like to commend all students and staff for their relentless efforts in bringing out this newsletter.

We stay committed to our mission of working for every child and open new vistas in the area of education.
