You are requested to undertake the following **immediate actions** to ensure maximum outreach and awareness among potential eligible candidates, particularly in remote and rural areas:

- 1. Publicity in Local Networks & Educational Institutions**
 - Publicise the recruitment notification widely among B.Ed colleges, DIETs, Teacher Training Colleges and similar educational institutes in your vicinity through emails, WhatsApp groups, notice boards and alumni networks.
 - Encourage these institutions to further disseminate the information to their stakeholders.
- 2. Display within the Vidyalaya**
 - Display the notification prominently on the Vidyalaya **website, main noticeboard, staffroom noticeboard, and library noticeboard.**
 - Share the recruitment notification with **all teachers, contractual staff, PTAs/parent representatives and School Alumni Associations.**
- 3. Outreach in Surrounding Areas**
 - Take support from Vidyalaya Management Committee / community leaders / SMC to spread awareness in nearby schools and local areas.
 - In remote / far-flung locations, **standee / banner / poster** may be displayed at the school main entrance and other visible public places.

The above proactive measures will significantly strengthen regional representation and ensure that eligible candidates do not miss this opportunity.

This may be treated as **most urgent**.
