

As per the directives of NIPUN BHARAT mission, the national initiative for proficiency reading with understanding and numeracy, students are at the core of our education system.

NEP 2020 also emphasizes that “are highest priority must be achieve universal foundational literacy and numeracy at primary school by 2026-27 ”.

The learning is targeted to be holistic, integrated, enclosure enjoyable and engaging. Academic approaches to improving teaching learning through FLN includes. Focus on learning of the child by extract thinking gets lead through play and activity based approach including toy making , art integration ,sports integration, storytelling based learning , ict integration ,group work ,role play, project group etc. (NIPUN Bharat Guideline –executive summary, academic approaches through FLN page 20).

Despite the clear recommendations from NEP2020 and NIPUN BHARAT guidelines 2021, it is observed that the group activities of students in primary section of kendriya vidyaslya still needs to be organized and a need of a common platform for primary student in broad groups is felt. To address this issue and to ensure that activities of primary students allies with the NEP 2020 and NIPUN BHARAT mission 2021 standard , the following measures are advised for immediate implementation in all KVs

1. Organization of Cluster level activities- the various cluster among the Region can organized Cultural activities and sports activities. The participation of student of foundational stage and preparatory stage at cluster level will help the students to achieve the mandate of peer and joyful learning and helps the student to develop the skills of self regulation , perseverance on task and good work habits.
2. Appreciation of learners the participants/ Winners of various activities may be awarded and appreciated with prizes.
3. Bal Mela could be organized in every School
4. Newsletter showcasing the activities of students may be prepared by vidyalaya
5. Newsletter should not be a photo album rather glimps the details of the students performing activities in joyful manner and attaining targeted learning securing.
6. These steps are align with NEP 2020 and NUPIN BHARAT 2021, ensuring the availability of high quality culturally responsive inclusive environment for student to learn joyfully, ultimately beneficially to self and the entre society and importance of
