

PM SHRI KV SECTOR-5 DWARKA

ATAL TINKERING LAB & AI LAB

PM SHRI Kendriya Vidyalaya, Sector-5, Dwarka promotes innovation and technology-based learning through its ATAL Tinkering Lab (ATL) and AI Lab.

The ATL provides students hands-on exposure to **robotics, electronics, coding, sensors and 3D printing**, encouraging creativity and problem-solving.

The AI Lab introduces students to **Artificial Intelligence, machine learning, computer vision and practical AI applications** through engaging activities and projects.

Both labs foster **innovation, experiential learning, computational thinking and 21st-century skills**, helping students become creative and future-ready learners.
