- b. Copy of PAN Card.
- c. ESIC & EPFO Registration Certificate Should be Attached with the technical Bid.
- d. The Firm should have valid labour Registration Certificate with Delhi Government.
- e. Firm should have a experience in repair, maintenance and construction in any Govt. department in last seven years, performance/work experience certificate should be enclosed with the Technical Bid.

17. Delivery of all the material and items pertaining to tender shall be within 10 days from the date of supply/ work order. The time allowed for carrying out the work will be **1 month** from the date of start or from the first date of handing over the site, whichever is later, in accordance with the phasing, if any, indicated in the tender documents.

18. The site for the work is available in the Vidyalaya & staff quarters premises. The material/items pertaining to repair should be presented before the monitoring committee of the said work.

19. Intending tenderers are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their tenders as to the nature of the ground and subsoil (so far as is practicable), the form and nature of the site, the means of access to the site, the accommodation they may require and in general shall themselves obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their tender. A tenderer shall be deemed to have full knowledge of the site whether he inspects it or not and no extra charge consequent on any misunderstanding or otherwise shall be allowed. The tenderer shall be responsible for arranging and maintaining at his own cost all materials, tools & plants, and facilities for workers and all other services except water and electricity required for executing the work unless otherwise specifically provided for in the contract documents.
20. The competent authority on behalf of the PM SHRI Kendriya Vidyalaya No.-1 Delhi Cantt, New Delhi does not bind itself to accept the lowest or any other tender and reserves to itself the authority to reject any or all the tenders received without the assignment of any reason. All tenders in which any of the prescribed condition is not fulfilled or any condition including that of conditional rebate is put forth by the tenderer shall be summarily rejected.
21. Canvassing whether directly or indirectly, in connection with tenderers is strictly prohibited and the tenders submitted by the contractors who resort to canvassing will be liable to rejection.
22. The competent authority on behalf of PM SHRI Kendriya Vidyalaya No.-1 Delhi Cantt, New Delhi reserves to himself the right of accepting the whole or any part of the tender and the Tenderers shall be bound to perform the same at the rate quoted.
23. The tender for the works shall remain open for acceptance for a period of five (05) days from the date of opening of tenders if any tenderers withdraws his tender before the said period or issue of letter of acceptance, whichever is earlier, or makes any modifications in the terms and conditions of the tender which are not acceptable to the Vidyalaya, then the Government shall, without prejudice to any other right or remedy, be at liberty to forfeit

50% of the said earnest money as aforesaid. Further the tenderers shall not be allowed to participate in the re-tendering process of the work.

24. This notice inviting tender shall form a part of the contract document.

The successful tenderers/contractor, on acceptance of his tender by the Accepting Authority shall within 05 days from the stipulated date of start of the work, sign the contract consisting of the Notice Inviting tender, along with all the relevant documents

25. The contractor or his supervisor should be available at the above site from 8.00 AM & the contractor must always be available at request and in case of emergency complaints or as and when directed.

26. The contractor will have to attend to all complaints immediately. Preferably, the complaint should be attended on the same day. In case of unavoidable circumstances, if the time required for attending the complaint is likely to exceed 24 Hrs. the same should be brought to the notice of the Vidyalaya well in time and adequate stop gap arrangements will have to be made by the contractor to avoid inconvenience to the occupants.

27. The rates quoted by the contractor should remain valid for two years from the date of commencement of maintenance work. However, the payment shall be made by the Bank on monthly basis in the following month subject to rendering satisfactory maintenance services during month on production of bills & other required documents (original purchase receipts/cash memo etc. relating to purchase of material etc.) in support of claims.

28. The contractor will have to maintain all types of records for consumption & receipt of material, complaint book, Work completion report signed by the occupant etc. as directed by the Vidyalaya from time to time and other instructions from the Vidyalaya in this regard.

29. The contractor will ensure that the defects are dealt with promptly & efficiently. If, at any point of time, the services rendered by the contractor are not found satisfactory, the Vidyalaya will be at liberty to terminate this agreement at any time with one month notice and without prejudice to the bank's rights and remedies to claim or receive damages or compensation for any loss or inconvenience caused to or suffered by it.

30. ACCIDENTS/INSURANCE :

The contractor will be responsible to bear payments of compensation (under Workmen's Compensation Act or if any, other such similar Laws for the time being in force & amended from time to time by Govt.), in the event of loss of life of any person(s) or any injury or of any physical hazard of any nature, whatsoever and howsoever described, to his workers or to the third party or to any residents or their dependents, friends, relatives by any or all acts of

any persons working under him or claiming through him to be his agent during the governing of this agreement. The contractor takes out adequate insurance cover at his cost.

32. The Contractor will be responsible to maintain the registers etc. for his labours engaged on this job, payment of wages, etc. as required under the law and comply with all legal formalities for the purpose of entering into such contract.

33. SAFETY CODE:

Contractor shall be responsible for observing Safety Code as per the annexure-1

34. INCOME TAX AT SOURCE:

Income Tax of the certified amount of the bill will be recovered as per Government Instructions for crediting to Govt. account and tax deduction certificates for the same will be issued to the contractor in due course.

35. PENALTY:

In case of contractor's failure to comply with provisions of the agreement or rendering unsatisfactory services including abnormal delay in attending the complaints, the Vidyalaya will be at liberty to get such work done from any other agency at the risk and cost of the Contractor including imposition of suitable penalty and the cost thereof shall be recovered by the Vidyalaya from their bills or any other dues including security deposit / retention money etc. whatsoever.

36. The security deposit may be forfeited at the discretion of the Vidyalaya in case the work is not carried out to the entire satisfaction of Vidyalaya.

37. The Vidyalaya may at its discretion (but is not bound to) renew the contract for a further period of one year subject to such terms & conditions as may be stipulated in this behalf by the bank and satisfactory performance.

38. The contractor should sign all the documents and papers in duplicate in token of acceptance of all the terms & conditions & all the annexure enclosed hereto.

39. The contractor should submit ownership/partnership letter along with the signed agreement.

40. The contractor shall, while maintaining or repairing the electricity, plumbing at the aforesaid **KENDRIYA VIDYALAYA NO.1, DELHI CANTT-10** use the aforesaid premises only for the aforesaid maintenance & repair purposes and not for any other purposes. Any violation or breach of this condition shall make the contractor liable for all the losses and or damage suffered or may be suffered by the Vidyalaya in addition to monetary liability for all the consequences, besides forfeiture of his security deposit.

SCOPE OF WORK (MAINTENANCE SERVICES)

CIVIL WORKS

(A) CIVIL MAINTENANCE WORK: The scope of Civil maintenance work include:

- i) All types of repairs pertaining to masonry work, plastering, painting, welding etc. in the Vidyalaya including Staff Quarters etc.

- iii) The contractor will have to arrange for all types of tools etc. at their own cost for undertaking such maintenance and repairs.
- iv) The contractor will make necessary arrangements for procurement of all necessary materials such as cement, sand, stone aggregate, bricks etc. for the purpose and cost thereof shall be initially borne by them at the time of execution of work. However, the same (actual expenditure towards purchase of material) shall be reimbursed by the Vidyalaya on production of bills/cash memos/receipts along with “work completion receipt/report” from the occupants at the end of each month. The rates of the material should be as per prevailing market rates and acceptable to the Vidyalaya.
- v) Replacement of Roof – Assembly Stage (Primary Section) Removal of existing roofing; supply & installation of new weatherproof, corrosion-resistant roofing sheets (ISI-marked) ; structural supports as per CPWD norms; painting & finishing to match existing aesthetics.
- vi) Replacement of Roof – Assembly Stage (Primary Section) Removal of existing roofing; supply & installation of new weatherproof, corrosion-resistant roofing sheets (ISI-marked) ; structural supports as per CPWD norms; painting & finishing to match existing aesthetics.
- vii) Raising Height of Cricket Stadium Stage Brick masonry, tile laying, and PCC as per approved design; finishing with anti-skid tiles; all works per CPWD standards.
- viii) Repair/Replacement of Damaged Boundary Grill (Cricket Stadium) Replacement of poles and grills (jali) with corrosion-resistant material; welding, alignment, and painting with two coats of synthetic enamel.
- viii) Renovation of Main Garbage Vat Structural repair, plastering, and waterproof coating; provision of proper drainage and secure lid/cover; as per CPWD specifications.
- ix) Repair/Replacement of Damaged Drain Covers (Cricket Stadium) Fabrication and installation of heavy-duty load-bearing covers (MS/CI) suitable for sports events; anti-rust coating.

- x) Grill Fencing Work for Garden Installation of decorative and sturdy grills for landscaped areas; corrosion-resistant coating; painting as per existing color scheme.
- xi) Repair of channel gates To repair/replace the damaged iron channel gates @ each unit.
- xii) Any other emergency work.

(B) PLUMBING & SANITARY

- i) The contractor will be responsible for undertaking all types of repairs/replacement pertaining to plumbing / sanitary work in the entire Vidyalaya including Staff Quarters, Hostel etc.
- ii) The scope of services will also include periodical cleaning and clearing of existing water supply lines, sewerage disposal system (including underground Sewerage Pipes and Inspection chambers within the Vidyalayas campus) from time to time or as and when considered necessary.
- iii) The contractor will carry out periodical cleaning of water storage tanks above all the works on quarterly basis (minimum) or as directed by the Vidyalaya and keep all the water tanks in hygienic conditions within the scope of this maintenance contract without extra cost. and proper record is required to be maintained.
- iv) The services of a skilled plumber (and helper as and when required) should be available at site from 8 a.m. in the morning.
- v) The contractor will be responsible to arrange for all types of tools required for the purpose at their cost.
- vi) The contractor will have to arrange for digging and refilling of trenches if required so at any place including masonry work etc.
- vii) The necessary materials viz. Plumbing Pipes and fittings, Spindle, CP fittings, Stone Ware Pipes, CI/PVC Drainage Pipes with fittings of approved quality required for day to day maintenance / repairs / replacement will be arranged by the contractor and on the prevailing market rates for which the Bank will reimburse the bills on actual basis.
- viii) It shall be responsibility of the contractor to execute the work of maintenance and repairs including replacement of sanitary and plumbing fittings at all levels and heights of the buildings for which necessary Jhoola, Safety belt, Scaffolding, Helmets etc. will be arranged by the Contractor at their cost.
- ix) Any other work of plumbing arising in emergency.

(C) WELDING WORKS

- i) The contractor will have to carry out all type of repairs pertaining to the welding work

in doors, windows, in-built cupboards, staircase railings etc. but excluding furniture items in the entire Vidyalaya, , Residences etc. as above.

ii) The contractor has to arrange for replacement of broken window pans, repairs to iron work such as window grilles, MS grills / Collapsible gates and other similar items involving welding job in the entire Vidyalaya, & Staff Quarters.

iii) The contractor will have to arrange all types of tools

iv) The contractor will have to arrange for minor materials, such as nails, screws, fevicol, hinges, wooden beadings etc. for aforesaid repairs at their own cost. The cost of other major materials required such as wood, block board, locks, Window glass pans etc. and other costly hardware fittings (Costing beyond Rs. 100/- each) will be reimbursed by the Bank on production of bills/cash memo from the seller and "Work Completion Report" from the occupants. However, all such material shall be immediately procured/arranged by the contractor from the market reimbursement to be claimed subsequently as per arrangement mentioned hereinbefore. The rates of the materials should be in accordance with the prevailing market rates.

SCOPE OF ELECTRICAL WORK

It involves designing, installing & maintaining electrical systems for Campus building, ensuring power supply & supporting educational needs.

a) This includes power distribution, lighting instrumentation, automation of labs and facilities.

b) Performing regular maintenance , testing & repairs on existing electrical equipment in all campus buildings to ensure safety, compliance with regulations & operational efficiency.

c) Ensuring all electrical installations & systems meet safety and standard and regulatory requirements for the protection of students faculty & staff.
