2024

MESSAGE FROM THE INCHARGE PRINCIPAL

I am excited and glad that PM SHRI KV NRC is here to publish a Newsletter for this Quarter. The Vidyalaya comes to a life when children from Class Balvatika to class V enter the gate of wisdom. The smile and happiness on the faces of our kids brightens the day of each and every teacher of our Vidyalaya. The activities undertaken by our teachers under toy pedagogy , story based , play way etc. aims at over all development of the child further leading to mental and physical health and well being of our children.

The focus on imparting Literacy and Numeracy knowledge with understanding and application is heading towards a sound foundational step towards higher learning. The Mentors of our Vidyalaya are putting efforts to impart 21st century skills among our students along with traditional skills and values. The childhood of the children is nourished with a number of joyful activities on Funday and the academic areas are tested by a number of formal and informal assessment tools.

The students are gaining confidence by performing a number of STEM activities under the PM SHRI Scheme. The joyful learning of the students is further enriched by Educational Excursions. The students of the Primary section are beautiful buds of our garden and all our efforts to help the students grow in a safe and secured environment.

FROM THE HM's DESK

I am happy and proud to note that the Primary section of PM SHRI KVNRC is going to publish its first term Newsletter.

We have a dedicated team of teachers who take good care of students so that each child shines to the best of his capability. We focus on promoting a high level of learning culture. Our students exhibited very marvelous work throughout the year not only in curricular but also in co-curricular activities and this newsletter reflects it all .

National Education Policy, 2020 (NEP) envisions a massive transformation in education through– “an education system rooted in Indian ethos that contributes directly to transforming India.

May God bless us with wisdom and spirit to carry out our mission enthusiastically! May the glorious flag of noble knowledge keep flying high in the sky! All the best.

F A R E W E L L

Today is a bittersweet day as we come together to say goodbye to someone who was not only a leader but a guiding force in our school community. Our esteemed Principal, Shri Devendra Kumar Olawat, is embarking on a new journey, and it is an honor to stand here and express our gratitude.

विद्यालय में विभिन्न खिलौनों से सुसज्जित टॉय लाइब्रेरी विकसित की गई हैं। खिलौनों से बच्चों के मानसिक स्तर को विकसित किया जा सकता है। बच्चे स्वेच्छा से अनुशासित होकर खिलौनों के माध्यम से अपने मानवीय मूल्यों को विकसित कर सकेंगे।

Exhibition

School has celebrated The Ganesh Chaturthi by organizing activities that include making and displaying Ganesh idols, such as:
Eco-friendly idol making: Students made idols using clay, dough, or other natural materials to reduce environmental impact.

MASS PT EXERCISE

Mass PT, or Physical Training, is a physical exercise routine that is often part of a school's morning assembly. It helps students develop their muscular strength, stamina, and fitness, and it also teaches them the importance of a healthy body.

It's a moment of pride and respect for our nation.

Partition Horrors Remembrance Day

While addressing the particular topic, teacher focuses on what made the day special, how you celebrated it, and why it was significant to students.

TEACHER'S DAY CELEBRATION

MATHS KIT UNBOXING

Math Kit is an ideal gift, learning tool and an introductory kit for all basic mathematical concepts.

As a part of curriculum, community lunch was organized at vidyalaya. The main purpose of organizing this programme is one should not have the difference among themselves like caste, creed or religion. The lunch prepared by their parents at home should be brought to school and it should be shared among other children.

A group of students in school uniforms are standing in a line, holding handmade signs. The signs display the names of Indian states: 'अरुणाचल प्रदेश', 'मणिपुर', 'मिजोरम', 'नागालैंड', and 'मेघालय'. A banner in the background reads 'PM SHRI KENDRIYA VIDYALAYA NO.1 ARTILLERY CENTRE MASK ROAD CAMP-422102'.

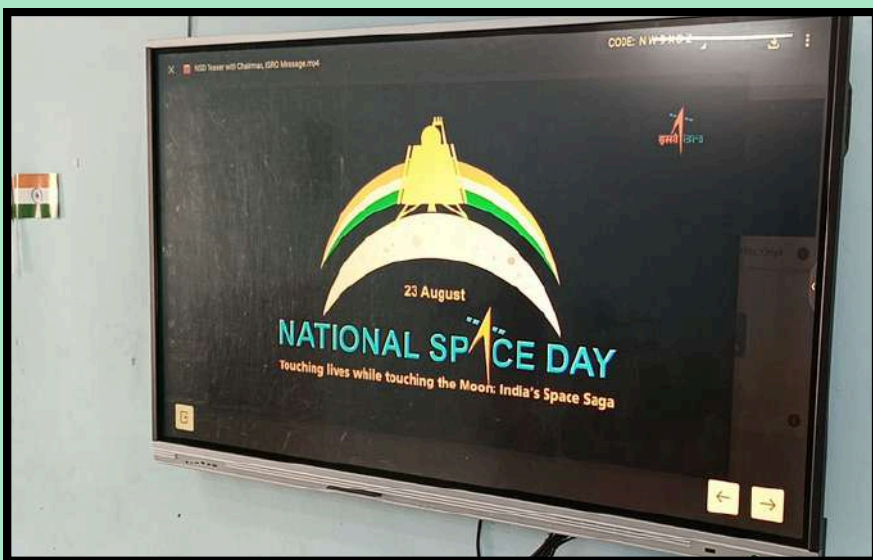

This festival gives much more to the school children than celebrating the birthday of Lord Krishna. Through these festive traditions and teachings of the festival, students come to adopt qualities such as devotion, compassion, resilience, and humility

When young minds are entrusted with the power to lead, these values take on a deeper significance, emphasizing the importance of learning, responsibility, and sincerity.

National Space Day in India commemorates the successful landing of Chandrayaan-3 on the Moon. It is celebrated on 23 August.
