About Library:

A school library is often called the heart of a school, and for good reason. It's a hub of intellectual activity, a place where students gain access to books and a universe of knowledge, ideas, and imagination. With over 400 + books and magazines, KVS Jamai provides ample opportunity to students to upgrade their knowledge through a wide range of books on every possible subject

The school library is open to all bonafide students of the school during the school hours. All classes (VI-XII) are provided with at least one library period

per week. General rules of the library for all students using the library facility
anytime.
