

## **PM SHRI KENDRIYA VIDYALAYA KANKINARA, ( CALP)**

Our school consistently demonstrates its commitment to holistic education by organizing the Compensation of Academic Loss Programme (CALP) for students engaged in extra-curricular activities.

Through CALP, we ensure that students who participate in such activities receive necessary support to minimize any academic setbacks. This includes personalized tutoring sessions, flexible scheduling to accommodate missed classes, and alternative assessment methods.

Our approach aims to strike a balance between academic excellence and the enrichment provided by extra-curricular engagements. CALP reflects our school's dedication to nurturing well-rounded individuals capable of excelling both academically and in co-curricular pursuits.

We believe that every student deserves the opportunity to explore their interests while receiving the necessary academic support to thrive. Our ongoing commitment to CALP underscores our belief in the importance of a comprehensive education that addresses the diverse needs of our students.
