

PM SHRI KENDRIYA VIDYALAYA KANKINARA, (Education Excursion)

Our Vidyalaya recently organized an educational excursion for its students, aimed at enhancing their learning experience beyond the classroom.

The trip included visits to a local museum, a historical site, and a science center, providing a well-rounded exposure to history, culture, and science.

Students participated in interactive activities, guided tours, and hands-on experiments, making the experience both educational and enjoyable.

Teachers and guides facilitated discussions and learning sessions throughout the excursion. Overall, the trip was a great success, enriching students' knowledge and fostering a spirit of curiosity and exploration
