

**PM SHRI KENDRIYA VIDYALAYA KANKINARA,
(EK BHARAT SHRESTHA BHARAT)**

Our Vidyalaya enthusiastically celebrates the 'Ek Bharat Shrestha Bharat' initiative throughout the year, fostering national unity and cultural exchange.

We organize various activities such as inter-state cultural presentations, traditional dance and music performances, and food festivals showcasing diverse regional cuisines. Students engage in language learning sessions, promoting linguistic diversity and mutual understanding. Art and craft exhibitions highlight the rich cultural heritage of different states.

Educational tours and exchange programs are conducted to provide firsthand experience of varied traditions. Debates, quizzes, and essay competitions are held on themes related to national integration. The program also includes community outreach, where students share their learnings and experiences with local communities.

Through these activities, our Vidyalaya nurtures a sense of pride and belonging among students, reinforcing the essence of 'Unity in Diversity' in India.
