

PM SHRI KENDRIYA VIDYALAYA BSF JALALABAD

COMPENSATE ACADEMIC LOSS PROGRAM (CALP)

In PM SHRI Kendriya Vidyalaya BSF Jalalabad the students have to go to different places to participate in different activities like games and sports, social science exhibition, excursions etc. During the period they remain out of the school, it is the duty of the school to arrange the extra classes to compensate the academic loss of the child.

Regarding this PM SHRI Kendriya Vidyalaya BSF Jalalabad also arranged extra classes and zero periods for these students so they can learn what they have missed during the period they were out of vidyalaya.
