

NIPUN LAKSHAY

The Ministry of Education has launched NIPUN “(National Initiative for Proficiency in Reading with Understanding and Numeracy) Bharat Scheme.”

With this vision, the Government of India launched the National Mission on Foundational Literacy and Numeracy on 5th July, 2021 to attain its objectives by 2026-27.

FLN refers to a child's ability to read with meaning and solve basic maths problems by class 3. These are crucial basic skills that helps them to succeed in life.

- Pre existing knowledge of a language help children gain literacy skills.

Key components involved are :-

- ❖ Oral language development
- ❖ Decoding
- ❖ Reading fluency with comprehension
- ❖ Writing
- Foundational numeracy means the ability to reason and to apply simple numerical concepts in daily life problems solving.

Key components involved are :-

- ❖ Pre number concepts
- ❖ Number and operations on numbers
- ❖ Shapes and spacial understanding
- ❖ Measurement

Our school is continuing progress on the way to achieve the three aforesaid **“Developmental Goals of NIPUN Bharat”**. The pictures of students show that they are on the way of **“Maintaining Good Health and Well being”**

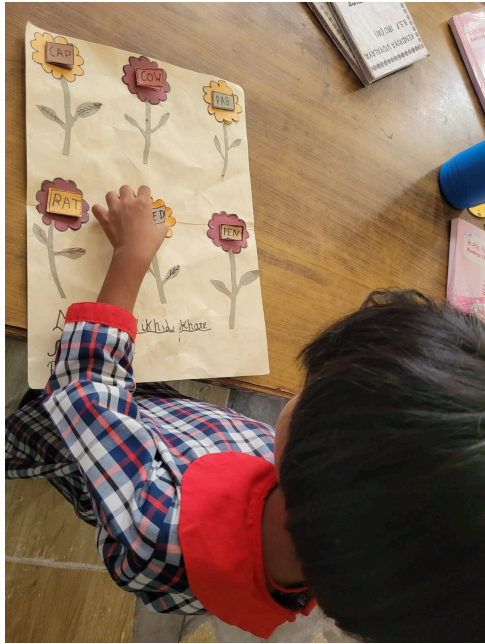

“Children are also learning to become effective communicators.”

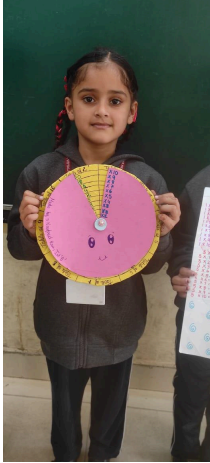

“Children become involved learners and connect with their immediate environment.”

Following are the glimpse of some activities that we have conducted in our vidyalaya to achieve the NIPUN lakshya.

Finally, We gladly inform you that we have successfully achieved many of the lakshya and we are working towards achieving all of them, as learning is a continuous process and so is development. So step by step, we have taken and will take all measures to achieve NIPUN Lakshya.
