

## KENDRIYA VIDYALAYA LUMDING

### NCSC/SCIENCE EXHIBITION

Rajya Stariya Bal Vaigyanik Pradarshani (RSBVP) is a national-level science exhibition, organized by the National Council of Educational Research and Training (NCERT) in India. The exhibition aims to foster scientific interest and creativity among young minds with a view to encourage, popularize and inculcate scientific temper among the children of the country, so that children can showcase their talents in science and mathematics and their applications in different areas related with our everyday life.

National Children Science Congress and Rajya Stariya Bal Vaigyanik Pradarshani (RSBVP) are organized every year in Kendriya Vidyalaya Lumding.
