

KENDRIYA VIDYALAYA LUMDING

STUDENT COUNCIL

The Students' Council is an important platform that provides students with opportunities to develop leadership qualities, a sense of responsibility, discipline, teamwork, and effective communication. It encourages students to actively participate in the functioning of the school and contribute positively to the school community.

Every year, KV Lumding constitutes its Students' Council in accordance with the guidelines of Kendriya Vidyalaya Sangathan (KVS). The Council consists of student leaders who are entrusted with various responsibilities and are expected to serve as role models for their peers.

The Investiture Ceremony marks the formal beginning of the tenure of the newly appointed office bearers. During the ceremony, the student leaders are entrusted with their duties and responsibilities, symbolizing the trust placed in them by the school. The occasion inspires them to discharge their responsibilities with sincerity, dedication, discipline, and commitment while working for the welfare and development of the school.
