From the Head Master's Desk

Dear Students,

In today's digital world, students often rely on mobile devices and the internet to seek information and clarify their doubts. However, the school library continues to remain an important and reliable source of knowledge. The library newsletter highlights the various activities and initiatives undertaken in our library and keeps students, teachers, and parents informed.

Developing the habit of reading among students is essential for their overall growth. We are fortunate to have a well-equipped and spacious library in our Vidyalaya that is easily accessible to everyone. I encourage all students to make the best use of this valuable resource.

With best wishes,

Mr. Prem Singh Kurveti

Head Master
