PRINCIPAL'S MESSAGE

"Teach Me, I forget; Show Me I remember and Involve Me, I understand" ought to be the slogan of each and every academician. Children of KVAFS, Kasauli are talented, enthusiastic, confident, inquisitive, creative, zealous and perceptive. We are providing the students with a conducive environment, aesthetic touch, eco awareness, physical skills, healthy recreation, comprehensive facilities, advanced infrastructure, a well-stocked library, and highly dynamic teaching techniques to nurture their talent and widen their horizon. We sincerely believe that it is imperative for any school to cater to the distinctive needs of the student's PRESENT but also to prepare them for a shining FUTURE. Our school is an ideal example of institution that strives to pragmatically implement the norms and expectations of the Kendriya Vidyalaya Sangathan. A plethora of activities are being organized in a meticulous and dedicated manner to ensure the incorporation of traditional values, patriotism, leadership qualities, scientific attitude, language ability, technology awareness, participation in Sports and courage of conviction. I am sure that the unwavering commitment of our staff shall guide and inspire our pupils to the zenith of excellence.

SHRI HARI OM UPADHYAY

Each child has his own unique qualities and as educators it is our responsibility to nurture and develop every learner in their formative years. Our students are groomed from a very early age to foster respect for diversity. On line learning may be new and different for the students, but it allows them to learn in a supportive and convenient atmosphere in this unprecedented times. And our students are grabbing this opportunity of learning through virtual classes.
