Guideline

- Result Analysis conducted purely based on the result file obtained from CBSE (without any manual typing or calculation).
- Boys / Girls details are taken from CBSE result file
- Roll Numbers are divided into Section, Stream and Shift based on the details you had submitted earlier to us. Wherever section was not available, by default it was considered as A section.
- Provision to type some of the fields is provided wherever the information is not available in CBSE result file.
- Overall Toppers of both X & XII are identified by considering **first 5 main subjects** of the students (by excluding optional 6th Subject)
- In case if you wish to edit the excel sheets please unlock it using the password which is CBSE school code of your Vidyalaya

P.I. Calculation logic as per the guideline from KVS HQ

Scenario 1: Normal case: If child appeared only in 5 subject - consider all 5 subjects

Scenario 2: If child appeared in 6 Subjects and none of these is Physical Education - then consider Best 5 Subjects.

Scenario 3: If child appeared in 6 Subjects and one of the subjects is Physical Education

- Child failed in one of the Six subjects - then consider Best 5 subjects even if one is Physical Education
- Child passed in all 6 Subjects - then exclude Physical Education and take remaining 5 subjects. (Exclude Phy. Edn, even if child got 100% in Phy. Edn.)
