PRINCIPAL

A Teacher affects eternity. One can never tell where his influence stops....." The journey into the wonderful world of knowledge begins at school and it is here that the child hones his skills, sharpens his intellect and unleashes his creativity. It is our endeavor at KV AFS Tughlakabad to provide a wholesome environment for academic excellence and an education that goes beyond the four walls of the class rooms , that prepares the child to face the challenges of complex, modern day living , ready to claim his rightful place as a global citizen. We solicit the support of all our valued stakeholders in preparing citizens who will be bold in taking initiative, yet placing premium on rich Indian values and culture.

FROM THE PEN OF VICE PRINCIPAL

Rajesh kumar
Vice principal

Warm greetings to all. I felt short of words to express my emotions, my gratitude for the opportunity, I have received to be the Head boy of the school.

First of all, I would like to thank the entire school management, who has shown immense faith in me by selecting me as the Head boy of our prestigious institution. Today, I take the oath that I shall do all that I can, and make this academic year a memorable one.

An investiture ceremony is a significant event where a school gives its upcoming leaders roles and responsibilities. It's an opportunity to teach students lifelong skills like being powerful and caring.

Blessings by HM
