Ref. No.: IITP/D/Admin/School/Fire Safety/2024/02

To Whomsoever It May Concern

This is to certify, based on records and information provided by the institute works department (IWD), of the institute that the higher secondary school building fire safety design and deployment has been completed in compliance of the fire safety standards and norms in India.

The appointed construction company, for school building construction following due process of law, has also got the electrical and fire safety design, drawing and actual deployment of fire extinguishers as conceived in the approved design drawing.

This fire safety certificate is issued on the basis of the inspection report (enclosed) as provided by the institute IWD unit and it is valid for one (01) year from the date of issue.
