**NOTICE**

**Reopening of School After Summer Vacation**

12/A

**Dear Students, Parents & Teachers!**

The Vidyalaya will reopen on **21.06.2025 (Saturday)** after the 50-day long summer vacation. I warmly welcome all my students and staff back to school and hope everyone had a joyful and refreshing break. Since the reopening day coincides with International Day of Yoga, all the students are required to report in house dress only.

Classes for Class XI shall commence w.e.f. **23.06.2025(Monday)**.

The reporting time for students is between **07:15 AM and 07:25 AM**, while all teachers must report by **07:10 AM sharp**. The school will function for full duration, i.e., up to **01:40 PM**. There will be 10 minutes in-class **SNACKS BREAK (09.10-9.20am)** and 20 minutes usual recess (**10.40-11.00am**). Parents are requested to provide double tiffins (One light tiffin like Fruits, Nuts, Salad etc. and the other one usual tiffin) to their wards.

Parents are requested to ensure the timely arrival and departure of their wards. Latecomers will not be allowed under any circumstances. It is advised not to send the child at all rather than sending them late, as this hampers discipline and wastes valuable instructional time.

It has also been noted that many students use to leave the school in half day on pretext of ill health/sickness/family function etc. It is our earnest request to the parents not to send their wards when they have health issues or pre-schedule family functions. Such habits of leaving the school in half day consumes lots of time of the teachers & parents as well. Also, attending school in sickness may affect the other students.

Entry for students and parents will be through Gate No. 02, while parents of Children With Special Needs (CWSN) may continue to use Gate No. 01 as earlier.

A strict ban will remain on mobile phones and all types of electronic gadgets in the school premises. Possession of such devices by students will invite serious disciplinary action, including seizure of the device for the entire session.

Students are advised to bring only the required books & note-books as per time-table. I also need the parents' attention on the load of the bags of their wards.

The cooperation of all the stakeholders is expected in ensuring a smooth and disciplined start of the school with new zeal & vigor to excel in all dimensions during the academic session 2025-26.
