

## **EXHIBITIONS – NCSC/SCIENCE/ETC/**

At K V Dr.Rajendra Prasad (P.E) we believe in nurturing creativity, fostering innovation, and celebrating the achievements of our students. We take pride in organizing a diverse range of exhibitions, including the National Children's Science Congress (NCSC), Rashtriya Bal Vaigyanik Pradarshini (RBVP) at school, regional, and national levels. INSPIRE Awards MANAK and activities for promotion of STEM, Vigyan Jyoti Programme , JIGYASA etc

These exhibitions serve as a platform for students to engage in experiential learning, interdisciplinary exploration, develop critical thinking skills , problem-solving abilities, and confidence in presenting their ideas to a wider audience.

### **National Children's Science Congress (NCSC):**

The NCSC encourages young minds to explore scientific concepts, conduct research, and present innovative projects. We actively participate in the NCSC, organizing school-level competitions, selecting projects for regional representation, and supporting students to compete at the national level.

### **RBVP** Rashtriya Bal Vaigyanik Pradarshini

We organize the Rashtriya Bal Vaigyanic Pradarshini (RBVP) at the school level, providing a platform for our young scholars to showcase their scientific acumen and innovative projects.

### **INSPIRE Awards:**

The INSPIRE Awards aim to foster a culture of innovation and scientific research among school students. we encourage students to pursue innovative projects, conduct scientific experiments, and submit their entries for the INSPIRE Awards.

## **Achievements:**

We take immense pride in the achievements of our students who have showcased their talent and innovation on national platforms such as the Rashtriya Bal Vaigyanic Pradarshini (RBVP) and the INSPIRE Awards.

### **RBVP Achievements:**

Our students have excelled in the RBVP, representing our school at both regional and national levels. Two of our students **Kanishk** ((class XI ) and **Ashish Kumar Verma**( class XII) were selected to participate in the RBVP at the national level, where they showcased their innovative projects and competed with students from across the country.

Furthermore, one of our student **Ashish Kumar Verma** ( class XII) secured the prestigious first position in the nationals, demonstrating exceptional scientific aptitude and dedication.

**INSPIRE Award Achievement:**

We are proud to announce that one of our projects, led by Vanshika of Class IX, was selected for the INSPIRE Award in the session 2023-24.

These exhibitions not only celebrate the achievements of our students but also inspire future generations to dream, innovate, and make a positive impact on society. We are proud to be a part of their journey and look forward to continuing our tradition of excellence in exhibitions for years to come.
