File no. AGT/ES/Civil/KV/Safety Certificate/2026-27

Date: 12.03.2026

Safety Certificate of KV School, ONGC Agartala

The school building for Kendriya Vidyalaya, ONGC Agartala and its boundary wall has been inspected. Based on the physical inspection of the school building and boundary wall, it is confirmed that these structures appear safe for use for the session 2026-27.

This certificate is issued as a provisional safety certificate, subject to the results of detailed structural testing carried out by NIT Agartala. The final safety status shall be confirmed upon receipt of the testing report, which is currently awaited.
