Instructions for Subject Teachers

1. All concerned subject teachers shall **identify slow learners** on the basis of Periodic Tests, Class Tests, classroom performance, assignments and continuous assessment.
2. A separate list of identified slow learners shall be prepared and maintained by the respective subject teachers.
3. The concerned teachers shall conduct **Remedial Classes strictly as per the approved Remedial Time Table from 08:10 AM to 09:10 AM (First Period)**.
4. Teachers shall prepare a need-based remedial teaching plan focusing on learning gaps, conceptual understanding, practice exercises and doubt clarification.
5. Attendance of students attending remedial classes shall be maintained regularly in the prescribed register.
6. The progress of identified students shall be monitored continuously, and improvement shall be recorded after each remedial cycle.
7. All teachers are instructed to ensure punctuality, regularity and effective implementation of the remedial programme.
