

Guidance and counseling

At PM Shri kendriya Vidyalaya Kalpetta, we offer guidance and counseling service to support our students academic, personal and social development. Our experienced counselors provide individualized support according to each student's needs and schedule, ensuring they receive timely and effective guidance in all aspects of life.

GUIDANCE

- In Guidance we help individuals to make informed decisions about their future by PSYCHOMETRIC TEST
- Assist with goal setting and planning
- Provides information and resources for academic and career development
- Support personal growth and development.

COUNSELING

- Addresses personal social and emotional concerns
- Help individuals to develop coping strategies and resilience
- Provide a safe and confidential space for self-expression
- Support mental health and well-being
- In a school setting like Kvk Kalpetta guidance and counseling service is beneficial for students navigating academic and personal challenges.
