

Funday

Every Saturday, Funday is conducted for the primary department students at PM Shri Kendriya vidyalaya, Kalpetta. The main objective of this event is to promote the mental, social, and physical health of the students. This program provides students with the opportunity to gain knowledge and skills through play.

Objectives:

1. Promote students' mental, social, and physical health.
2. Enhance cooperation, team spirit, and self-confidence.
3. Make the learning process fun and engaging.

Recent Activities:

1. Class 1: Hindi Alphabet Activity

Students jumped over letters of the alphabet. This activity helps them recognize the letters of the Hindi alphabet and encourages learning in a fun way.

2. Class 2: Body Parts Related Game Activity

Students practiced touching various body parts and lifting bottles. This activity helps improve children's physical understanding and awareness.

3. Class 3: Animals and Their characteristics

Students were shown representations of various animals, birds, and insects. Through this activity, students observed and gained knowledge about the characteristics of these creatures by counting the number of legs for each .

4. Class 4 : Flower Making with Coloured Paper Activity

Students created beautiful flowers using coloured paper. In this process, children learned about circles and semi-circles and enhanced their understanding of shapes.
