

**PM SHRI KENDRIYA VIDYALAYA
AIR FORCE STATION, THANJAVUR**

A REPORT ON ACTIVITIES TAKEN UP

DURING 2023-24

UNDER THE SCHEME OF

PM SHRI

About PM SHRI Schools

PM SHRI School is a centrally sponsored scheme by the Government of India. This initiative is intended to develop more than 14500 PM SHRI Schools managed by Central Government/State/UT Government/local bodies including KVS and NVS in which every student feels welcomed and cared for, where a safe and stimulating learning environment exists, where a wide range of learning experiences are offered, and where good physical infrastructure and appropriate resources conducive to learning are available to all students.

It will nurture students in a way that they become engaged, productive, and contributing citizens for building an equitable, inclusive, and plural society as envisaged by the National Education Policy 2020.

As we continue to build an education system for the future, it is critical that the school ecosystem is resilient in the face of an increasingly unpredictable, dynamic and non-linear world. The PM SHRI schools are being designed to achieve that. These schools will help showcase the implementation of the National Education Policy 2020 and emerge as exemplar schools. They will provide leadership in their respective regions in providing high quality education in an equitable, inclusive and joyful school environment that takes care of the diverse background, multilingual needs, and different academic abilities of children and makes them active participants in their learning process. Schools are incentivized to yield results and perform better through a funding mechanism that is tracked through quality parameters. A decentralised administration strategy will be followed to ensure the effective implementation of the scheme. A system of transparency and accountability will be created for the effective delivery of performance at school levels.

These schools will focus on not only enhancing cognitive development but also creating holistic and well-rounded individuals equipped with key 21st-century skills. The pedagogy adopted in these schools will be more experiential, holistic, integrated, play/toy-based (particularly in the foundational years), inquiry-driven, discovery-oriented, learner-centred, discussion-based, flexible, and enjoyable. The focus will be on the learning outcomes of every child in every grade. Assessment at all levels will be based on conceptual understanding and application of knowledge to real-life situations and will be competency-based.

About PM SHRI Kendriya Vidyalaya AFS Thanjavur

Kendriya Vidyalaya AFS Thanjavur was bestowed with the status of PM SHRI school with effect from April 2023. Hence, the school is renamed as 'PM SHRI Kendriya Vidyalaya AFS Thanjavur.' The school will enjoy this coveted status for a period of four years during which the school will be fully developed into a full-fledged, pioneering and model school in the district of Thanjavur, and thereby providing the students enrolled in the school rich and qualitative educational and learning experience at par with renowned international schools.

A bank account has been opened exclusively for PM SHRI scheme. A whopping amount of Rs. 100.53 lakh (Recurring: 58.34 and Non-recurring: 42.18) was allotted to the school for the academic year 2023-24.

The annual budget was prepared keeping in view the immediate needs of the school. While the fund for non-recurring expenditure is utilised for the development of the infrastructure of the school, the fund for recurring expenditure is used to take care of the students' academic requirements and to develop them into all-rounded personalities.

Here is a brief description of how the fund allocated to the school during the academic year 203-24 under the scheme of PM SHRI was utilised:
