Newspaper Coverage

This newspaper cutting records the Balvatika-3 and Vidya Pravesh activities at PM Shri Kendriya Vidyalaya No. 1, Chhindwara. It highlights the school programme, participation of children and the message of developing good values from early childhood.

Outdoor Visit and Nature Observation

Balvatika-3 children are seen together during an outdoor visit in a green garden setting. The experience gave them an opportunity to observe their surroundings, enjoy nature and learn together beyond the classroom.

Kite-Making Activity

Children proudly display colourful handmade kites during a creative activity. The session encouraged imagination, participation, fine-motor skills and the joy of making and sharing their own creations.

Palm Painting Activity

Children worked together on a palm-painting activity, creating colourful hand impressions on worksheets. The activity supported sensory exploration, creativity, coordination and confident self-expression.

Rakhi-Making Activity

Children participated in a Rakhi-making activity with the support of their teachers. The hands-on work encouraged creativity and helped children experience the spirit of care, sharing and togetherness.

Mask and Costume Activity

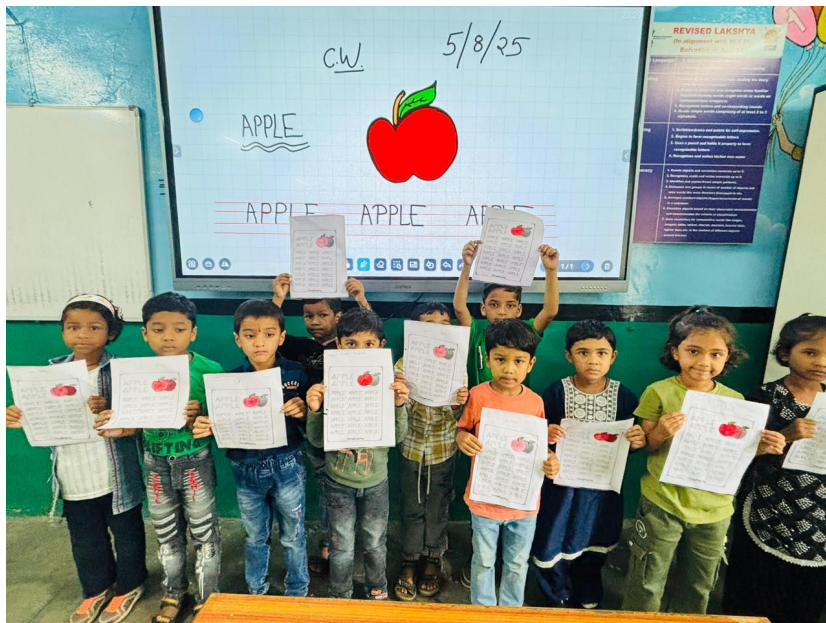

Children participated enthusiastically in a colourful mask-and-costume activity. The experience encouraged joyful participation, creativity and confident expression.

Holi-Themed Creative Activity

Children proudly displayed their colourful Holi-themed drawings in the classroom. The activity supported creative expression, observation and participation through art.

Apple Writing and Language Practice

Children practised writing the word "APPLE" with the support of a digital classroom display. The activity combined early literacy, visual learning and guided handwriting practice.

Fruit Colouring Activity

Children engaged in a fruit-colouring activity while working together on the classroom floor. The hands-on task developed colouring skills, concentration, coordination and creativity.

Paper-Folding Activity

Children proudly displayed colourful paper boats made during a hands-on craft activity. The activity promoted creativity, fine-motor coordination, following steps and group participation.

Learning Focus

- Creative expression through hands-on making and decoration.
- Social interaction, cooperation and participation in a group activity.
- Understanding the cultural spirit of care, sharing and togetherness.
