AUTUMN BREAK | HOLIDAY HOMEWORK

Learn • Create • Explore • Enjoy

AUTUMN BREAK: 15 OCTOBER – 24 OCTOBER 2026

Dear Students,

Enjoy your autumn break with happiness, curiosity and care. Use this time to relax, read, spend time with your family and revise what you have learnt. Complete the activities neatly and independently. The aim is to learn meaningfully—not merely to finish a task.

CLASS-WISE SUBJECT HOMEWORK LINK

Students should also complete the subject-specific homework shared by their respective subject teachers. For Classes III–VIII, focus on foundational skills, reading and hands-on activities. For Classes IX–X, revise concepts and practise competency-based questions. For Classes XI–XII, complete the assigned subject work, practise application-based questions and revise important concepts.

INSTRUCTIONS FOR SUBMISSION

- Complete the work in the subject notebook or on A4 sheets, as instructed by your teacher.
- Write your name, class, section and roll number clearly on every submission.
- Use your own words and ideas. Do not copy entire answers from websites or AI tools.
- Bring the completed work on the first working day after the break, unless your teacher gives a different instruction.

Have a joyful, safe and productive autumn break!

With best wishes, • Principal & Teachers
