

KENDRIYA VIDYALAYA ONGC CHANDKHEDA AHMEDABAD

SHIKSHA SAPTAH

COMMUNITY DEVELOPMENT DY

DATE: 28.07.2024,SUNDAY

REPORT

Introductory session is taken by Mr TC Agrawal,PGT Physics. He discussed about NEP 2020 and the role of community in the school development.

Next session is taken by Mr Jitendra Vartiya, PGT Computer Science about Cyber Safety. He gave information on the skill and vocational education and also provided the information about Artificial Intelligence as an additional subject. He gave advised to take the steps on safety and security measures while using social media platforms.

Next session is taken by Mr Jayesh Kelar,PRT .He explained the role of community in the school development. He demonstrated Vidyanjali Portal and KVS alumni Portal and motivated them to register and invite to contribute for the school development as a volunteer. He also explained about Joyful and experiential Learning which is the one of the key features of NEP and for the holistic development, all the parents have to connect with clear and proper communication for the betterment of the students.

One of the parents gave suggestions how parents can help in school development.

The programme is concluded by Mrs Shilpa Taneja,PGT Maths who is the senior most Teacher of the Vidyalaya and delivered the thanks to all invitee parents for attending todays programme.

Parents are motivated for the development of the Vidyalaya.

Session is ended with group photograph and shared ideas and thoughts. Today's programme is succefully completed with appreciation words by parents.
