CMP NEWS LETTER

**1ST QUARTER 1
(APR-JUN)
(SESSION-2026-27)**

OUR CHIEF PATRONS

SHRI DHARMENDRA PRADHAN
Hon'ble Education Minister

The sole aim of education is to inculcate in students the right values; motivate them in the correct direction; make them proficient in various fields; and provide them an open platform from where they can launch themselves to fly high in the infinite universe. It should equip them to face the challenges of this complex world; should infuse in them the values like tolerance, compassion and above all empathy for the weak. According to Jean Piaget, “The goal of education is not to increase the amount of knowledge but to create the possibilities for a child to invent and discover, to create men who are capable of doing new things.”
