

Pariksha Pe Charcha

Pariksha pe charcha is an innovative activity initiated by Govt. of India to make the students tension free and concentrate on their exam preparation. The students get scared by the name of board exam or any competitive exam. This exam-phobia affects their performance a lot. So students want tips and tricks to rewire their minds to face the exam (of any type) with their full involvement and courage. Hence the students as well as their parents are advised to participate in pariksha pe charcha. For registration please visit:
