

Kendriya Vidyalaya Sangathan
Works Branch

Subject: Input material information for new KVS Hqrs Website – regarding

With reference to ID Note dated 05.10.2023, the input of Works Branch is as under: -

- 1) Type of building is decided by the Academic Branch based on the enrolment of KVs and other academic inputs.
- 2) Initially, KVS plans for A- Type (02 section) school building (as per CCEA approval).
- 3) Type of building as per KVS norms.

S. No.	Type	Enrolment	Remarks
(i)	'A-1'	<u>480</u>	<u>For class I to XII single section each</u>
(ii)	'A'	<u>960</u>	<u>For class I to XII two section each</u>
(ii)	'B'	<u>1440</u>	<u>For class I to XII three section each</u>
(iv)	'C'	<u>1920</u>	<u>For class I to XII four section each</u>

However, all new KV buildings are being constructed by following green building Standards and Accessible India Provisions, i.e. ramps and special toilets for Divyangs, rainwater harvesting, adoption of energy efficient fittings and fixtures (BEE 5 star marked appliances), planning of buildings with more open areas to provide more light and ventilation, etc.

Under Accessible India Provisions, ramps till ground floor and special toilets have been provided in all existing KVs constructed by KVS.
