D. All School functionaries involved in the Filling of LOC like the Class Teacher/ Subject In-charge/ Coordinator/ Vice Principal/ Office Clerk/ Any other person should be suitably briefed about the circular and the course of action to be taken. It is expected from the schools to assign the task of LOC submission to only one official, who is well aware of the sensitivity of correct data & subject submission and adherence to schedule.

E. A briefing meeting may also be convened with the students of Class X and Class XII to inform the following: -

1. The importance of submission of the correct data in LOC.
2. The importance of submission of correct subject names and code in the LOC.
3. The role and responsibility of the students and their parents in the submission of correct data and correct subjects in the LOC.
4. Consequences of wrong submission of data in LOC.

Only those students shall be allowed to appear for Class X and XII Board Examinations in session 2026-27, whose names will be submitted through the

online process of submission of LOC as explained in this circular.

F. All schools need to complete the registration process before proceeding with online submission. Schools will use the 'Affiliation Number' as a user ID, already available to them.

G. The newly affiliated schools that have not received their password or instructions, should contact the concerned Regional Office of the CBSE for obtaining the same. Upon receiving the password, schools are advised to change the password for future use and keep it confidential to avoid misuse. Maintaining the safety of the password shall be the sole responsibility of the schools.

H. The Board is extending several exemptions/concessions to candidates with disabilities as defined in the "The Rights of Persons with Disabilities Act 2016". In this context, the schools may refer to the communications available on link https://www.cbse.gov.in/cbsenew/Examination_Circular/2019/5_CIRCULAR.pdf

The category of CWSN students shall be carefully selected and submitted in the LOC to ensure that applicable relaxations during the conduct of examinations can be provided to these students in an automated manner.

This year also, the portal for CWSN will be made available along, with the LOC. However, the last date for submission of CWSN data will be prior to the last date for submission of LOC. So, data and records of CWSN students should be collected and be submitted on the portal. After the last date of submission, schools will not be able to add any other candidate as CWSN.

Schools should ensure that the names of all such students are sponsored by taking necessary action and approvals. Requests from the schools and students will not be accepted once the schedule is over and LOC is submitted.

PART II: ELIGIBILITY CRITERIA OF CANDIDATES FOR LOC 2026-2027.

A. **Principals/Schools should ensure that: -**

a. Candidates sponsored are their own regular and bonafide students only.

b. No bonafide student's name is left unsponsored.

c. Students are not from any unauthorized/unaffiliated schools.

d. Students are regularly attending classes in the school and fulfilling the minimum attendance norms as per Examination Bye laws of the Board.

e. Students are not registered with any other School Education Board in addition to CBSE.

f. The students are eligible to appear in the Board Examinations for classes X and XII as per provisions of Examination Bye-laws.

g. In the case of students of Class-XII, it is essential to confirm that they have passed their Class-X examination **from a recognized School Education Board only**, on or before the academic year 2025.

B. **The essence of the issue is that all those students who are eligible as per Examination Bye-Laws of the CBSE should only be sponsored for Board examinations. In this context, your attention is also invited to provisions of para 14.2 of the Affiliation Byelaws-2018.**

These are as follows: -

"It is mandatory for every affiliated school to follow the Examination Bye-laws of the Board mutatis mutandis.

14.2.1 Every affiliated school shall present a list of the number of students and their particulars in respect of Classes IX, X, XI & XII at the time of the beginning of an academic session in the manner prescribed by the Board.

14.2.2 No affiliated school shall present the candidates to the Board's examination, who are not on its rolls.

14.2.3 No affiliated school shall present the candidates to the Board's examination, who are enrolled in an unaffiliated School/Branch.

in Board Class X and Class XII examinations from the year mentioned while granting of affiliation/upgradation regularly without break or inform with reasons thereof in writing well in time about the non-sponsoring of the candidates.

14.2.6 The school affiliated to the Board shall not send candidates for examination of any other Board/University. It shall prepare candidates for the Secondary and Senior Secondary examinations of the CBSE only."

C. **All schools are therefore advised to meticulously fill in the data in the OASIS accordingly.**

PART III: ACTION TO BE TAKEN BY SCHOOLS WHILE FILLING LOC 2026-2027.

1. New Schools have to: -
    a. First, enter the information on the OASIS portal.
    b. Thereafter, they will submit the data on the HPE portal.

   after completing activities (a) & (b) above, they can submit LOC data.

2. **Before proceeding with the submission of LOC, existing schools shall have to update the data on the OASIS & HPE Portal.**

3. The information on OASIS should be filled in very carefully as **schools will not be allowed to change the declared section/strength** of students after submission of LOC.

4. **Number of students sponsored by the school should be in proportion to the number of teachers appointed in the school. It will be the responsibility of the school to relieve the teachers for evaluation in accordance with the number of candidates sponsored in each subject. In case, schools will not relieve their teachers, CBSE will be liable to initiate strict action against the school including non-declaration of their results.**

5. Schools will be able to finalize LOC data only when they have first submitted data on the HPE portal. The link of the HPE portal is available on the CBSE website. A confirmation number will be generated after the successful filling of data on the HPE

portal. Schools are requested to keep this confirmation number safe for future reference.

6. Only those TGTs/PGTs, who are teaching Classes IX-X/XI-XII respectively should be listed as TGT/PGT to ensure the appointment of eligible evaluators for quality evaluation. Accordingly, in OASIS, the classes taught by the teachers need to be clearly filled in by the schools. The names of the teachers, who have left the school, shall be deleted from the data. It is the responsibility of the schools to correctly update the data in the OASIS. In case of TGT teaching classes IX and X, the subject offered by them in graduation needs to be filled.

7. It may be ensured that the full names of all the teachers shall be filled in the OASIS. Abbreviations should not be used. If abbreviations are given, it will be considered incorrect data provided by the schools. No salutations etc. shall be prefixed with the names.

8. **It may be noted that while submitting LOC for classes X and XII, schools will be shown the data of the same students that was submitted by them in the previous year for registering them in classes IX and XI. Schools are advised to "delete" students, who have moved out of the school due to transfer/other reasons. Schools can add students, who have been admitted to the school in Class X/XII under the "DIRECT ADMISSION" category ONLY AFTER obtaining due approval from the concerned Regional Office as per the Board's rules.**

9. Students of Class X/XII of the previous academic session seeking re-admission in respective class shall be considered as RE-ADMISSION cases and the procedure as defined for DIRECT ADMISSION cases will be applicable and thus the same be followed by the schools meaning thereby that due approval is to be obtained from the concerned Regional Office as per Board rules.

10. Schools shall have to complete the LOC submission process Online only. The facility of data filling in downloadable Excel files is not available in the LOC submission module as only minor corrections are allowed in LOC.

11. Schools, who had not uploaded the photographs of their students in Class IX/XI registration, shall have to upload the same before the final submission of LOC. Newly affiliated schools shall also have to upload photographs of their bonafide students. The correct procedure for uploading the photographs is given in **ANNEXURE-E**. The schools will also ensure that correct photograph against each student has been uploaded.

12. As per Rule 6.1(a) (iii) of the Examination Bye-Laws, the school shall ensure that the student satisfies the requirement of age limit (minimum and maximum) as determined by the State/ U.T. Government and applicable to the place where the school is located while seeking admission in a class.

13. Many organizations and States award scholarships based on the financial status of the students. Accordingly, information about the annual income of the parent(s) may be collected as given by them. Schools should not demand ITR/other income proof etc. from parents.

14. As per Affiliation Bye-laws, schools can offer any academic subject in Classes XI and XII except the subjects requiring laboratory work. **In the subjects where laboratory work is involved, the school is required to seek approval, in case the same has not been obtained earlier.** Academic subjects in which laboratory work is not required could be offered by updating the same in the OASIS.

15. As per CBSE Circular no. ACAD-38/2021, no formal permission is required by the affiliated schools for introducing Skill Subject(s) at any level.

16. In accordance with the Scheme of studies, the Board has prescribed a list of valid/invalid combinations of subjects. Schools should check the combination of subjects before filling in the subjects in the LOC as per **ANNEXURE-H** (for Class X) and **ANNEXURE-K** (for Class XII).

17. **Details of all students should be submitted only in one lot for each fee slab. Partial submission of data will be not allowed in a fee slab meaning thereby, in each slot, only one list of the students will be accepted.**

18. In earlier years, schools were required to send the signed copy of the finalized data of LOC of class X/XII to the concerned Regional Office. From the year 2021 onwards, this practice has been done away with. Now, LOC will be uploaded on the system provided with the E-signature linked with the Aadhaar of the Principal. IT MAY BE ENSURED THAT THE DATA UPLOADED IS ABSOLUTELY CORRECT AND EXTRA PRECAUTIONS BE TAKEN IN THIS REGARDS BY THE PARENTS/STUDENTS/SCHOOLS.

19. The link for submission of the online form for Private candidates/ Second chance Compartment candidates will be made available separately.

20. The online submission shall close at 11.59 midnight on the designated last dates. Schools are, therefore, advised to complete the online submission of LOC well in time to avoid the possibility of slow connection/failure to connect to the server on account of heavy load on the internet on the penultimate day or because of any other reason.

21. The last date for each activity is fixed and no extension will be made on the last date. Hence, schools are requested to complete the activity within the scheduled date and time.

22. After submission of LOC, no request for change of subject, admission in Classes X and XII (except on transfer cases) and concessions for CWSN shall be considered by the Board.

23. After the last date of direct admissions (Expect allowed as per policy), subject change, corrections, CWSN cases, Sports students issues and change of examination centres will not be allowed. Schools and parents are requested to abide by the directions strictly.

24. In the event of any difficulty, the concerned Regional Office may be contacted.

After the last date, a data verification slip will be generated by the schools for each candidate. In case, if the data i.e. candidate/mother/father/guardian name, date of birth or subject offered is found wrong by the school/candidate, CBSE will allow the same to be corrected from 02.11.2026 to 04.11. 2026. Once this

process and period is over, NO CORRECTION WILL BE ALLOWED BY THE BOARD.

SCHEME OF STUDIES

The Board has prescribed a scheme of studies which is available in the Curriculum on the link https://cbseacademic.nic.in/curriculum_2027.html for Secondary and Senior Secondary classes. Schools are required to offer the subjects in accordance with the Scheme of Studies only. **Subject combinations against the policy/ scheme of studies of the CBSE will not be accepted by the Board and such candidates will be considered as Not Eligible.**

It is expected that the schools will read the guidelines carefully, collect the accurate data of the students & submit the same correctly. Their efforts in uploading correct data will help in providing exact subject Question Papers to the candidates & also in providing documents with correct particulars which will also reduce the cases of corrections in the personal data of the candidates after declaration of results.
