PM SHRI KENDRIYA VIDYALAYA

MATI, AKBARPUR

AUTUMN BREAK HOLIDAY HOMEWORK

SESSION 2026-27

CLASS V

A colourful collection of learning activities
to explore, practise and enjoy during the holidays.

“Empowering Learners • Enriching the Nation”

Mathematics

Think logically • Recognise patterns • Create with shapes

A. Complete the sentences

1. A pentagon has ____ sides.
2. A rectangle has ____ vertices.
3. A triangle has ____ angles.
4. A square has ____ equal sides.

B. Complete the pattern

1. ★ ☆ ★ ☆ ★ ____
2. ▲ ▲ ● ▲ ▲ ● ____
3. 2, 4, 8, 16, ____, ____
4. A1, B3, C5, ____, ____

C. Creative activity

Create a beautiful rangoli using triangles, squares and circles. Colour it and write the number of each shape used.

D. Hands-on activity — choose one

- Use matchsticks or ice-cream sticks to make different shapes on chart paper and write their properties.
- OR**
- Make any one pattern from your Maths book using different-coloured threads or crepe paper.

Instructions

Complete all written work on A4 sheets in beautiful, neat handwriting.

Keep thinking. Keep discovering!

प्रिय विद्यार्थियों, शरदावकाश के दौरान निम्नलिखित रचनात्मक कार्य आनंदपूर्वक कीजिए।

१. अनुच्छेद लेखन

- विजयादशमी (दशहरा) पर 10-12 वाक्यों का अनुच्छेद लिखिए।
 - दुर्गा पूजा पर 10-12 वाक्यों का अनुच्छेद लिखिए।
- ध्यान दें:** दोनों अनुच्छेद अलग-अलग A4 शीट पर लिखिए।

२. चित्रकला

विजयादशमी के अवसर पर भगवान श्रीराम द्वारा रावण वध अथवा दशहरे के मेले का सुंदर चित्र बनाकर उसमें रंग भरिए।

३. कहानी पठन

प्रतिदिन एक हिंदी कहानी पढ़िए। दस दिनों में कम से कम दस कहानियाँ पढ़िए। प्रत्येक कहानी से मिली सीख को एक वाक्य में लिखिए।

४. रचनात्मक गतिविधि

दुर्गा पूजा अथवा दशहरे पर एक सुंदर शुभकामना कार्ड बनाइए और उस पर हिंदी में शुभकामना संदेश लिखिए।

आवश्यक निर्देश

- सभी लिखित कार्य A4 शीट पर सुंदर एवं साफ-सुथरी लिखावट में कीजिए।
- चित्रों में रंग भरिए तथा अपनी रचनात्मकता का प्रयोग कीजिए।
- छुट्टियों में प्रतिदिन हिंदी पढ़ने का अभ्यास कीजिए।

शुभ शरदावकाश! खूब पढ़ें, खूब सीखें।

A. Read, Think & Answer

1. Why is water storage important for us?

2. Write five things you can do at home or school to save water.

B. Creative & activity-based work

3. My Water-Saving Poster

Create an attractive poster on an A4 sheet with the slogan:

"SAVE WATER – EVERY DROP COUNTS!"

4. Water Storage Around Me

Observe your home or neighbourhood and find two places where water is stored. Draw or paste pictures and write 3–4 sentences about each.

Picture 1

Picture 2

5. Become a Water Detective

For one day, observe how water is used at home. Complete the table.

Activity	How water is used	How can we save it?
Brushing	Example: Keeping the tap running	Example: Use a mug instead of a running tap
Bathing		

Washing utensils		
Cleaning		
Gardening		

Every drop matters!

1. My Incredible India

Draw or paste pictures of any two unique places in India. Write one special feature of each place.

2. Map Explorer

Mark any three unique places on an outline map of India. Write the name of the state in which each place is located.

3. Renewable and Non-renewable Energy

Draw or paste pictures of two renewable and two non-renewable sources of energy. Write one difference between these two types of energy.

Renewable sources (2)	Non-renewable sources (2)
One difference:	

4. Energy Detective

Find five objects at home that use energy. Write the type of energy used by each object.

Object	Type of energy used

5. Creative Model

Make a paper windmill or pinwheel using waste materials to show how wind energy can be used.

6. Save Energy, Save Earth

Create a colourful poster with a catchy slogan and write three ways to save energy in everyday life.

Instructions: Complete all activities neatly. Use your own ideas, drawings and creativity.

Save Energy • Save Earth
