कविता - सुंदर मेरा गाँव

सुंदर मेरा गाँव सलोना सुंदर मेरे खेत,
सुंदर सुंदर फूल खिले है सुंदर यहाँ की रेत।
आवभगत सम्मान मिले जो मिले न दूजी ठौर,
रे पंछी चल गाँवों की ओर, रे पंछी चल गाँवों की ओर ।

बैठ पेड़ की छाँव ही करते सुख दुख की सब बातें,
राग में राग मिलाकर मन से हरिगुण है सब गाते।
आता जाता कौन गाँव में सब पर नजर दौड़ाते,
मजदूरी का मोल है क्या मिलकर के काम कराते ।
है सबसे अनुराग दिलों में बसते नंद किशोर,
रे पंछी चल गाँवों की ओर .....

खुले खुले हर घर आँगन है खुले है दिल के द्वार,
हाथ बँटाते एक दूजे का नहीं दिखता है खार ।
क्या मजदूर पलायन कैसा सह लेते है वार,
रूखी - सूखी खा लेते है करते नहीं प्रहार ।
दूध दही की नदियाँ बहती नहीं छाछ का मोल,
रे पंछी चल गाँवों की ओर .....

मैंने बोया पाला सींचा सबने मिलकर खाया ,
सब लोगों की क्षुधा तृप्त कर अपना फर्ज निभाया ।
इतना करने पर भी उसको शोहरत मिली न माया ,
अन्नदाता जो बना तो साधु संतों को भी खिलाया ।
कोयल,मैना,तोता बोले नाचे जहाँ पे मोर ,
रे पंछी चल गाँवों की ओर रे .....

प्रवेशोत्सव

प्रवेशोत्सव हमारे विद्यालय का सबसे हर्षोल्लासपूर्ण अवसर है। इस दिन कक्षा १ के नन्हे-मुन्ने विद्यार्थियों का विद्यालय परिवार में स्वागत किया जाता है। रंग-बिरंगे गुब्बारे, फूलों की सजावट और मधुर गीतों के बीच बच्चों के चेहरे पर नई उम्मीदों और उत्साह की चमक दिखाई देती है।

शिक्षक और वरिष्ठ विद्यार्थी मिलकर इन छोटे बच्चों को विद्यालय के वातावरण से परिचित कराते हैं। खेल, गीत-संगीत और प्रेरणादायी गतिविधियों के माध्यम से उनका आत्मविश्वास बढ़ाया जाता है

Celebration of National Days

The celebration of national days is an integral part of our school culture. These occasions remind us of the sacrifices, values, and achievements that have shaped our nation.

Through these activities, students learn the importance of unity, freedom, and responsibility as citizens of India. The celebrations instill pride in our heritage and encourage young learners to contribute positively to the nation's progress.

विश्व योग दिवस

अंतरराष्ट्रीय योग दिवस 21 जून 2025
विद्यालय प्रांगण में आयोजित सामूहिक योग सत्र में छात्रों, शिक्षकों एवं कर्मचारियों ने सक्रिय भाग लिया। प्रशिक्षित शिक्षकों द्वारा योग के विभिन्न आसनों का प्रदर्शन किया गया, साथ ही उनके लाभों पर भी चर्चा की गई। इस अवसर पर विद्यार्थियों को मानसिक एकाग्रता, शारीरिक स्वास्थ्य और आत्म-संयम के महत्व को समझाया गया। योग दिवस ने सभी को स्वस्थ जीवनशैली अपनाने की प्रेरणा दी और भारतीय सांस्कृतिक विरासत के प्रति गर्व की अनुभूति कराई।

Constitution Day

The school celebrated Constitution Day with great pride and reverence, honoring the adoption of the Indian Constitution and the values it upholds. The program began with a solemn prayer and the lighting of the lamp, symbolizing knowledge and justice.

Students presented speeches and recitations on the life and vision of Dr. B. R. Ambedkar, the chief architect of the Constitution. A special quiz and skit were organized to deepen understanding of constitutional values such as equality, liberty, and fraternity.

डॉ. भीमराव अंबेडकर जयंती

14 अप्रैल 2025 को पीएम श्री केंद्रीय विद्यालय, जूनागढ़ में डॉ. भीमराव अंबेडकर जयंती श्रद्धा और गरिमा के साथ मनाई गई। इस अवसर पर सभी शिक्षकों ने उनके चित्र पर पुष्प अर्पित कर भावभीनी श्रद्धांजलि दी। कार्यक्रम के दौरान शिक्षकों ने डह. अंबेडकर के जीवन, संघर्ष और उनके द्वारा दिए गए समता, शिक्षा तथा संविधान संबंधी विचारों को विद्यार्थियों के साथ साझा किया। उनके विचारों को सरल और प्रेरक भाषा में प्रस्तुत किया गया, जिससे छात्रों में सामाजिक न्याय, अधिकारों की समझ और जिम्मेदार नागरिक बनने की भावना जागृत हुई। यह आयोजन विद्यालय में एक प्रेरणादायक वातावरण का निर्माण करने वाला रहा, जो विद्यार्थियों को विचारशीलता और संवेदनशीलता की ओर अग्रसर करता है।

हिन्दी पखवाड़ा

हिन्दी दिवस

शिक्षक दिवस

समारोह

पीएम श्री केंद्रीय विद्यालय, जूनागढ़ में 5 सितम्बर 2025 को शिक्षक दिवस सादगी और सम्मान के साथ मनाया गया। इस अवसर पर विद्यार्थियों ने अपने शिक्षकों को एक सुंदर कार्ड और कलम भेंट कर आभार व्यक्त किया। यह प्रतीकात्मक उपहार उनके प्रति सम्मान और ज्ञान के प्रति कृतज्ञता का भाव दर्शाता है। कार्यक्रम में गुरु-शिष्य संबंध की गरिमा को महसूस किया गया, जिससे विद्यालय में प्रेरणा और स्नेह का वातावरण बना रहा।

Organize Swachhta Pakhwada Cleanup Drives

Swachhta Pakhwada is a fortnight dedicated to spreading awareness about cleanliness and hygiene. Our school actively participates in this campaign to instill the values of discipline, responsibility, and respect for the environment among students.

Swachhata Pledge

PM SHRI Kendriya Vidyalaya Junagadh recently observed Swachhta Pakhwada with great enthusiasm and dedication. The fortnight-long event aimed to promote cleanliness and hygiene among students and staff, fostering a sense of responsibility towards maintaining a clean environment.

Swachhata Hi Seva

Under Swachhta Hi Seva campaign, reinforcing the importance of cleanliness and community service. This initiative aimed to engage students and staff in activities that promote a clean and healthy environment.

HEALTH CHECK-UP CAMP

A healthy mind resides in a healthy body. To ensure the well-being of students, our school organizes a Health Check-up Camp every year. This initiative helps in spreading awareness about the importance of health, hygiene, and preventive care.

During the camp, qualified doctors and medical staff conduct routine check-ups including eyesight, dental care, general fitness, and overall health assessments. Students are guided about balanced diets, regular exercise, and good hygiene practices. Parents are also informed about the health status of their children, making it a collaborative effort towards better health.

Cyber Safety Awareness Programme

Cyber safety posters were displayed across the school to promote cyber hygiene and responsible online behaviour.

They highlighted key practices such as using strong passwords, enabling two-factor authentication, updating devices, protecting personal information, avoiding suspicious links, and reporting cyberbullying.

The initiative aimed to encourage safe, respectful, and ethical use of the internet among students.

Cyber Safety Awareness Programme

Various workshops were organized to promote awareness about the safe and responsible use of AI, password security, and cyber hygiene. Students learned about ethical AI usage, creating strong passwords, enabling two-factor authentication, safe browsing practices, and protecting personal information. Through interactive sessions and real-life examples, the workshops helped students develop responsible digital habits and become more aware and secure internet users.

Digital Initiatives

Under the Digital Hardware and Software initiative, our school has strengthened its technological facilities to support effective learning. All interactive panels in classrooms have been connected with dedicated internet LAN cables, ensuring stable and high-speed connectivity for seamless digital teaching.

Additionally, seven computers in the Computer Laboratory were repaired and restored to working condition. The maintenance work included replacement of motherboards, power supply units, and other essential components.
These upgrades have significantly improved classroom engagement and provided students with better access to reliable digital resources and practical learning opportunities.

BaLa Features

The concept of BaLA (Building as Learning Aid) transforms the school environment into a joyful learning space. The walls, floors, doors, and open areas are creatively designed to serve as teach-ing-learning resources.

Exposure Visit

An educational exposure visit to the Regional Science Center, Rajkot was organized on 2nd December 2025 for students of Classes VI to XII. The visit aimed to provide experiential learning beyond the classroom and to spark scientific curiosity among students.

During the visit, students explored various thematic galleries, including Robotics, Computers, the Mechanical Lab, and the Astronomy Gallery. Each section offered hands-on demonstrations and interactive exhibits that helped students understand scientific concepts in an engaging and practical manner.

Field Visit

These visits provide young learners with opportunities to observe, explore, and connect classroom knowledge with the real world. Whether it is a trip to a museum, a park, a historical site, or a science center, children gain practical insights while enjoying the beauty of nature and culture.

Such experiences help in developing curiosity, social skills, and environmental awareness among students. Teachers guide them throughout, ensuring that every moment becomes a lesson in observation, discipline, and teamwork.

Eco Clubs for Mission LiFE

#Plant4Mother

Eco Club for mission LiFE was formed to make the school green and clean .
It teaches students to be responsible towards the environment and take appropriate action to protect it . Plantation drives were organised in school with active participation of parents and students . #Plant4mother was propagated in the presence of IFS Mrs Aradhana sahu (post)

More than 100 parents and around 140 students participated in plantation drive #Plant4Mother
Mission LiFE Corner established in vidyalaya for motivating students to make the school green.
Herbal garden was developed by students during Bagless day celebration

Vermi composting Unit is being created to decompose bio degradable waste .

Teaching–Learning Materials (TLM)

Teaching–Learning Materials (TLM) for Classes I to V were purchased under the PM SHRI Scheme to strengthen activity-based and experiential learning and to support Foundational Literacy and Numeracy (FLN).

Self-Defence Training Program

In alignment with the holistic development objectives of the PM SHRI (Pradhan Mantri Schools
for Rising India) Scheme, PM SHRI Kendriya Vidyalaya Junagadh initiated a Self-Defence Training
Program for girl students of Classes VI to IX from 26 November 2025. The initiative aims to empower girl students with essential life skills, enhance personal safety awareness, and
strengthen their confidence and resilience.

The Self-Defence Training Program at PM SHRI Kendriya Vidyalaya Junagadh has emerged as a significant step toward ensuring the safety and empowerment of girl students. Continued implementation of such initiatives will further strengthen students' confidence and holistic development.

Engagement of Yoga/Sports Teacher /Coaches

As part of the PM SHRI Schools initiative, special emphasis is being placed on holistic education that goes beyond academics. One of the key activities under this program is the engagement of Yoga instructors and Sports coaches to promote physical fitness, discipline, and overall well-being among students.

Sports Day

Celebrating Energy and Team Spirit: Sports Day

Sports Day is one of the most awaited events in every school calendar. It is a celebration of energy, enthusiasm, and team-work, where students showcase their athletic skills and competitive spirit. The day begins with a vibrant opening ceremony, often including a march-past and the lighting of the torch, sym-bolizing determination and unity.

PM SHRI Selfie Point

#Students/Parents Impression

A vibrant PM SHRI Selfie Point was created at PM SHRI Kendriya Vidyalaya Junagadh, providing students and visitors a creative space to capture memorable moments. The initiative enhanced school aesthetics and promoted pride in the PM SHRI identity.

I am Aesha and and our school, Kendriya vidyalaya, has created wonderful Selfie point featuring our Hon'ble prime minister, Narendra modi The selfie point is very attractive and inspiring for all students. Whenever we see it, we feel motivated to work hard Serve our country with dedication. It reminds us of leadership, discipline, and patriotism. many student enjoy, daking pictures there, and it has become a special place in our school campus. I truly appreci-ate this wonderful initiatiive taken by our school. Kendriya vidyalay a junagadh.

Dhuda Aesha Arvind
(Class - VIII)

Parents Teacher Meeting (PTM)

A Parent-Teacher Meeting (PTM) is a scheduled interaction between parents and teachers to discuss a student's academic progress, behavior, and overall development. It's a cornerstone of school communication and helps build a strong partnership between home and school.

BAGLESS DAY

On Bagless Day, an engaging art activity was organized at PM SHRI Kendriya Vidyalaya Junagadh, where students explored traditional Lippan art and terracotta art. Learners enthusiastically created decorative designs using clay and mirrors, experiencing the beauty of Indian folk art. The activity enhanced creativity, cultural awareness, and hands-on skills while making learning joyful and experiential.

Bagless Day featured a creative session on Lippan and terracotta art at PM SHRI Kendriya Vidyalaya Junagadh, where students explored traditional clay-based craft techniques. The activity encouraged hands-on learning, creativity, and appreciation of Indian folk art.

PM SHRI KENDRIYA VIDYALAYA JUNAGADH

EXPERIENTIAL LEARNING

BAGLESS DAY

CREATIVITY • CULTURE • SUSTAINABILITY

Bagless Day offered students meaningful hands-on experiences through traditional art, creative design and environmental learning beyond regular classroom routines.

1. Lippan Art Workshop

LEARNING BY DOING

Students participated in a series of hands-on activities designed to combine creativity, cultural awareness and environmental responsibility.

Through Lippan art, learners explored traditional decorative patterns, symmetry, texture and mirror-based design. The activity encouraged patience, precision and appreciation of Indian folk art.

Terracotta plate design introduced students to clay-based craft, colour harmony and ornamental composition, while the vermicompost pit session demonstrated how biodegradable waste can be converted into useful organic manure.

Together, the activities promoted teamwork, observation, problem-solving and joyful experiential learning.

1 LIPPAN ART

Traditional motifs, mirror work, symmetry and surface decoration developed creativity and fine-motor skills.

2 TERRACOTTA PLATE DESIGN

Students explored colour, pattern and composition through decorative clay-plate artwork.

3 VERMICOMPOST PIT

The practical session introduced eco-friendly waste management and organic manure preparation.

2. Terracotta Plate Design Activity

3. Vermicompost Pit Learning Session

Creative Expression • Cultural Appreciation • Teamwork • Environmental Responsibility

Create • Explore • Experience • Learn

CHEMISTRY LABORATORY
Lab Consumable Materials

To enhance the efficiency of laboratory practicals and ensure smooth conduct of chemistry experiments for classes XI and XII, various laboratory consumable chemicals and materials were procured from Atmiya Scientific Traders, Rajkot. The materials are intended for regular laboratory use, practical demonstrations, and student experiments in qualitative and quantitative analysis.

Physics Laboratory

A telescope facility in the Physics Laboratory provides students with opportunities to explore the night sky, enhancing scientific curiosity and experiential learning.

The Physics Laboratory at PM SHRI Kendriya Vidyalaya Junagadh is equipped with a telescope that allows students to observe celestial objects and develop interest in astronomy alongside practical physics experiments.

Celebrating STEM Week

At PM SHRI Kendriya Vidyalaya Junagadh, STEM Week is a vibrant celebration of Science, Technology, Engineering, and Mathematics. It provides students with opportunities to explore, experiment, and innovate beyond the classroom. STEM Week at PM SHRI Kendriya Vidyalaya Junagadh reminds us that learning is not limited to textbooks—it is about discovery, innovation, and shaping the future.

READING PROMOTION WEEK

Reading is not just a habit, it is a lifelong treasure that shapes our thoughts and broadens our horizons. To nurture this spirit, our school celebrates Reading Promotion Week with great enthusiasm.
During this week, students are encouraged to explore the world of books—stories, poems, biographies, and knowledge-rich texts. Activities such as reading competitions, book exhibitions, storytelling sessions, and group discussions inspire curiosity and creativity among learners. Teachers and students together create an environment where reading becomes a joyful experience. The week reminds us that books are our best companions and reading is the first step towards wisdom.

"A reader today is a leader tomorrow."

Colourful Dustbins

Students turn simple dustbins into colourful messages of creativity and cleanliness

1. Finished Artwork

Students enthusiastically transformed ordinary dustbins into vibrant works of art through the activity '*Colourful* Dustbins'. With bright colours, interesting characters, floral patterns and creative designs, they turned simple bins into attractive and meaningful displays.

This activity beautifully combined art with awareness. While painting the dustbins, students also shared an important message of cleanliness, proper waste disposal and responsibility towards the school environment. Their creative efforts not only enhanced the campus but also inspired everyone to keep the surroundings clean, colourful and welcoming.

2. Final Presentation

3. Character Art in Progress

4. Floral Pattern Work

5. Collaborative Painting

Math Circle & Maths Kit

Hands-on mathematical learning through exploration, activity and classroom demonstration

1. Introduction Session

2. Maths Kit Display

The Math Circle and Maths Kit activities provided students with an engaging platform to explore mathematical concepts through hands-on learning. Using shapes, counters, geometric models and guided classroom demonstrations, students developed a clearer understanding of mathematical ideas and participated with great enthusiasm.

The specially arranged maths kit included a variety of teaching-learning materials that helped transform abstract concepts into practical and enjoyable experiences. Activities with tangrams, counters and 3-D shapes encouraged observation, reasoning, problem-solving and active participation among learners.

Through this initiative, mathematics became more interactive, visual and joyful. The activity strengthened conceptual understanding and demonstrated how learning by doing can make the subject meaningful, interesting and accessible for every student.

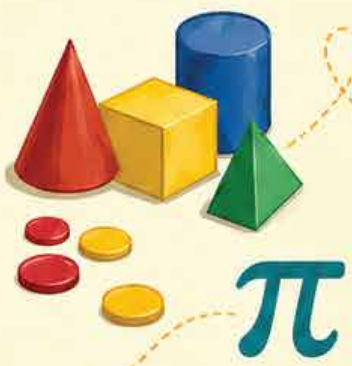

3. Tangram Activity

4. Number Learning Activity

5. Classroom Demonstration

Learning Outcomes

- Conceptual clarity through activity-based learning
- Better observation and reasoning skills
- Enhanced problem-solving ability
- Joyful and interactive classroom participation

PM SHRI KENDRIYA VIDYALAYA JUNAGADH

ACTIVITY HIGHLIGHT

GUIDANCE & CAREER COUNSELLING

Helping students understand their interests, abilities and future pathways through expert guidance and informed career planning.

1. Career Counselling & Guidance Seminar

ABOUT THE INITIATIVE

Career guidance sessions were conducted by Dr. Hardik Ramani during the academic years 2024–25 and 2025–26. The sessions helped students understand their interests, strengths and possible career options.

Following the sessions, 200 students from Classes VIII to XII completed a psychometric assessment. Their responses helped identify career areas suited to their aptitude and preferences.

Each student received a printed copy of the detailed result, enabling students and parents to discuss future pathways with greater clarity and confidence.

EXPERT GUIDANCE

Interactive sessions made career choices easier to understand.

PSYCHOMETRIC TEST

Assessment for 200 students from Classes VIII to XII.

INDIVIDUAL REPORT

Printed results supported informed discussion with parents.

2. Student Interaction with Career Expert

3. Guidance Session in Progress

"Right Guidance Today • Confident Choices Tomorrow"

Awareness • Aptitude • Opportunity • Informed Decision-Making

PM SHRI KENDRIYA VIDYALAYA JUNAGADH

Composting Facility
for Kitchen and Garden Waste

Eco-Friendly Campus Initiative

The vermicompost pit was developed at PM SHRI KV Junagadh to effectively manage kitchen and garden waste generated within the school campus and convert it into useful organic manure through **vermiculture.**

The initiative aims to promote **eco-friendly waste management**, reduce pollution caused by burning waste, and encourage sustainable, chemical-free gardening practices among students.

By observing and participating in this process, students learn the importance of **recycling biodegradable waste** and using **natural manure** for healthier plant growth.

Waste to Manure

Eco-Friendly Waste Management

Reduces Pollution

Supports Sustainable Gardening

PM SHRI KENDRIYA VIDYALAYA JUNAGADH

Drip Irrigation Systems

Water Conservation & Sustainable Gardening

The teachers and students of the vidyalaya worked together to build a drip irrigation system. In this system, water drips slowly and directly to the roots of plants through small pipes and holes. This method saves a lot of water compared to normal watering, because no water is wasted. It also helps plants grow better and healthier, since they get water regularly in small amounts.

1. Drip irrigation layout in the school garden

2. Students and teachers observing the irrigation area

3. School garden with plantation and care activities

Benefits

- Saves water efficiently
- Delivers water directly to roots
- Supports healthy plant growth
- Encourages eco-friendly learning

Saving Water • **Nurturing Plants** • **Learning Sustainably**

PM SHRI KENDRIYA VIDYALAYA JUNAGADH

LIBRARY INITIATIVE

LIBRARY GRANT

READING • KNOWLEDGE • CURIOSITY

The PM SHRI library fund was used to provide age-appropriate magazines that support reading habits, subject enrichment, general awareness and joyful learning.

1. Reading Promotion and Library Activities

A LIBRARY FOR EVERY LEARNER

For younger readers, magazines such as Champak in Hindi and English, Magic Pot, Akkad Bakkad and Bal Bharati were added to make reading enjoyable and strengthen language development.

For senior students, Physics Today, Chemistry Today, Biology Today and Maths Today support subject learning and examination preparation.

Pratiyogita Darpan, Samanya Gyan Darpan and GK Today build general awareness, while Yojana and Kurukshetra introduce learners to government, development and society.

Avishkar encourages interest in innovation and inventions, and Sportstar keeps students informed about the world of sports.

YOUNG READERS

Stories, illustrations and age-appropriate content encourage regular reading and vocabulary growth.

SUBJECT ENRICHMENT

Science and mathematics magazines strengthen concepts and support examination preparation.

GENERAL AWARENESS

Current affairs, governance, innovation and sports magazines broaden students' knowledge.

2. Magazine Display and New Arrivals

3. Students Reading and Writing

4. Library-Based Learning

IMPACT

- Stronger reading habits and language skills
- Better subject understanding and exam support
- Improved general knowledge and awareness
- Greater curiosity, imagination and independent learning

PM SHRI KENDRIYA VIDYALAYA JUNAGADH

Learning Enrichment Programme (LEP)

ACADEMIC SUPPORT INITIATIVE

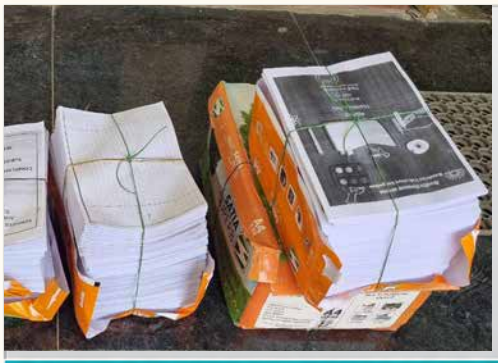

Strengthening Learning. Building Confidence. Inspiring Growth.

The Learning Enrichment Programme (LEP) was organized to strengthen foundational learning and provide additional academic support to students. Carefully prepared booklets, worksheets and subject-based learning materials were distributed to help learners practise concepts in a structured and engaging manner.

The programme encouraged regular study habits, self-learning and better understanding of key topics. Students actively participated in the initiative and received the materials with enthusiasm, making the programme a meaningful step towards improving learning outcomes.

1. Students receiving LEP materials

2. Group of participants with learning materials

3. Stacks of printed learning materials

KEY HIGHLIGHTS

- Supports self-learning
- Strengthens conceptual understanding
- Encourages regular practice
- Improves learning outcomes

4. Display of LEP booklets and worksheets

Learn Today • Practice Always • Achieve Together

A Step Towards Better Learning

PM SHRI KENDRIYA VIDYALAYA JUNAGADH

Jadui Pitara Kits

Play-Based Learning for Foundational Stage

PM SHRI Kendriya Vidyalaya, Junagadh organized a special session on 'Jadui Pitara,' a play-based learning kit developed by NCERT under NEP 2020 and the NIPUN Bharat Mission for Foundational Stage learners. The kit included toys, puppets, flashcards, storybooks, posters, and worksheets designed to promote activity-oriented learning instead of rote methods, nurturing cognitive, language, motor, and social skills. Teachers demonstrated proper use of the materials, and students actively engaged in hands-on activities with great enthusiasm.

Jadui Pitara box and learning materials

Students participating in hands-on activities

Children exploring activity cards and resources

What the Kit Includes

- Toys and manipulatives
- Puppets
- Flashcards
- Storybooks
- Posters
- Worksheets

Learning Benefits

- Encourages joyful learning
- Builds language skills
- Strengthens cognitive development
- Improves motor skills
- Promotes social interaction

PM SHRI KENDRIYA VIDYALAYA JUNAGADH

ACTIVITY HIGHLIGHT

21st CENTURY LEARNING & INFORMATION SKILLS

Building confident communicators, thoughtful leaders, responsible digital citizens and creative problem-solvers.

A series of activities was organised to help students develop essential 21st century skills. Through speaking, discussion, teamwork, democratic participation and hands-on technology, students learned to think clearly, communicate confidently and use information responsibly.

1. Debate & Elocution

COMMUNICATION SKILLS

Debate and elocution activities encouraged students to express ideas clearly, speak with confidence and support their views with logic. They also learned to listen respectfully and appreciate different opinions.

2. Youth Parliament

DEMOCRACY

Students performed the roles of Speaker, Ministers and Members. The activity introduced parliamentary procedures, leadership and responsible citizenship.

DIGITAL LITERACY

Mrs. Priti Gaur guided students on safe internet use, social media responsibility, fake news and positive online behaviour.

3. Digital Literacy Session

4. STEM Workshop on Arduino Projects

LEARNING OUTCOMES

- Critical Thinking
- Confident Speaking
- Teamwork & Leadership
- Digital Responsibility
- Creativity & Problem-Solving

Environment Day

On Environment Day, students expressed their concern and creativity through vibrant posters. Each artwork carried a powerful message—urging protection of nature, promotion of cleanliness, and celebration of greenery. This activity was not just artistic, but a meaningful step toward responsible citizenship.

CLA : Investiture Ceremony

Investiture Ceremony was held in the school auditorium with great pride and solemnity, marking the official installation of the newly elected student leaders. The event symbolized the trust and responsibility placed upon the young leaders to guide their peers and uphold the values of the institution.

Creative Cornor

the Creative Corner is a special space dedicated to nurturing imagination and artistic expression. Primary and secondary students showcase their creativity through drawings, paintings, craftwork, and innovative designs. sources.

Development of Musical Skills

Under the PM SHRI initiative, various student-centered and activity-based learning programs were conducted in the Music Department to promote creativity, cultural awareness, and holistic development among students. Music activities were organized to enhance students' interest in singing, rhythm, expression, and teamwork.

Students actively participated in group singing sessions where they learned patriotic songs, folk songs, and motivational songs. These activities helped students improve their sense of rhythm, coordination, and teamwork. Music performances were organized during national festivals and important occasions, allowing students to express cultural unity and artistic talent. Students were introduced to basic concepts of rhythm (Taal), melody (Sur), and performance techniques. Activities were conducted in an enjoyable and participatory manner.

Lions Day

On Lions Day 2025, PM Shri Kendriya Vidyalaya, Junagadh organized a thoughtful awareness program focused on lion conservation. Students took a pledge to protect wildlife and preserve ecological balance. A rally was conducted within the school premises, where all participants wore lion masks to symbolize strength and responsibility towards nature. Through this creative initiative, students expressed their commitment to safeguarding endangered species and deepening their connection with the natural world. The event inspired a sense of environmental stewardship and pride in Junagadh's rich wildlife heritage.

Thank You!

PM SHRI KENDRIYA VIDYALAYA JUNAGADH
