PM SHRI KENDRIYA VIDYALAYA PORBANDAR

EXCURSION TO SCIENCE MUSEUM, JUNAGADH – 2026

Under the initiative of the **PM SHRI Kendriya Vidyalaya Scheme 2026**, an educational excursion to the **Science Museum, Junagadh** was organised for students of **Classes VI to X**. The visit provided an enriching opportunity for students to explore scientific concepts beyond the classroom.

- Students observed various scientific exhibits and working models with great interest.
- The interactive experience enhanced their curiosity and encouraged logical and scientific thinking.
- The excursion promoted creativity, innovation, observation, and problem-solving skills.
- Students appreciated the practical approach to learning and expressed positive feedback about the visit.
- The experience helped them connect theoretical knowledge with real-life scientific applications.
- The visit also encouraged students to ask questions, explore new ideas, and develop an innovative mindset.

Overall, the excursion was highly educational and successful, contributing significantly to the intellectual and creative development of the students.

The educational excursion to the Science Museum, Junagadh, was a highly successful, practical, creative, and encouraging experience for both students and faculty members. The interactive exhibits and scientific demonstrations made learning enjoyable and helped students understand important concepts through practical observation and exploration. Students enthusiastically participated in the activities, expressed great interest, and thoroughly enjoyed the visit.

The excursion encouraged curiosity, creative thinking, innovation, and a scientific approach among students. It also provided teachers and faculty members with an opportunity to support learning beyond the traditional classroom environment.

We sincerely express our gratitude to the **PM SHRI Kendriya Vidyalaya Scheme 2026** for providing such valuable educational opportunities. Overall, the trip was memorable, enjoyable, and intellectually enriching, leaving students and faculty inspired to explore, learn, and think creatively.

EXCURSION 2026

★ EXCURSION HIGHLIGHTS

- We visited the Science Museum Junagadh.
- The museum had amazing exhibits on science, space, technology, and our environment.
- We enjoyed interactive models, hands-on experiments and educational displays.
- It was a wonderful learning experience outside the classroom.
- We returned with happy memories and lots of new knowledge.

★ HOW CHILDREN FELT

- We were excited and curious to explore new things.
- The interactive exhibits made learning fun and interesting.
- We felt inspired by the scientific discoveries and innovations.
- We enjoyed spending quality time with our friends and teachers.
- We felt proud and thankful for this wonderful opportunity.

MUSEUM

★ POSITIVE FEEDBACK

- The excursion was well organized and informative.
- We loved the hands-on activities and interesting exhibits.
- It helped us understand many topics better.
- We want more such educational trips in the future.
- A big thank you to our teachers for making this trip memorable!
