From The Principal's Desk

Dear parents, children and well wishers,

Welcome to the 1st quarter newsletter, for the session 2026-27. Newsletter of the primary section is a document showcasing the talents inherent in the young students of primary classes, exhibiting the building talents of children in all fields. In this newsletter too, they have proved beyond doubt that their little hands can do wonders.

I sincerely congratulate all the primary students and teachers for their endeavors and efforts made in the teaching-learning process of primary education at its best. Keep great work going on.

Best wishes to their bright future.

Mr. Virendra Pratap Singh
