

PM SHRI KV HIRANAGAR

Student Achievements:

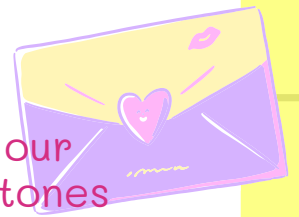

We celebrate the accomplishments of our talented students! From academic milestones to creative endeavors, our students continue to make us proud.

Teacher Spotlight:

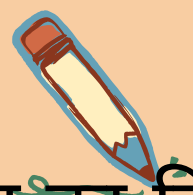

A round of applause for our dedicated teachers who go above and beyond to inspire and educate. Thank you for your commitment to our students!

Warm Regards,

PRINCIPAL

विज़न

जिज्ञासु मन को प्रेरित करना, सुदृढ़ चरित्र का निर्माण करना, उत्कृष्टता को प्रोत्साहित करना और प्रत्येक शिक्षार्थी को उज्ज्वल भविष्य के निर्माण के लिए सशक्त बनाना।”

VISION

To inspire curious minds, nurture strong character, foster excellence, and empower every learner to shape a brighter future

मिशन

ऐसी कक्षाओं का निर्माण करना, जहाँ ज्ञान प्रेरणा बने, नवाचार को बढ़ावा मिले और नेतृत्व की भावना विकसित हो।

Mission

Transforming classrooms into launchpads where wisdom inspires, innovation thrives, and leaders emerge.

INCEPTION

Established: 28 March 2003 at Ravi-Tawi Complex, Hiranagar.

New Building: Inaugurated on 16 January 2014 at Ward No. 6, Hiranagar.

Classes: I to XII with Science & Commerce streams.

Facilities: Well-ventilated smart classrooms, laboratories, computer lab and adequate water supply.

Our Focus: Quality education, innovation and holistic development of every learner.

MESSAGE FROM THE PRINCIPAL'S DESK

Dear Students, Parents and Staff,

It is a matter of great pride to present this newsletter, a reflection of our journey of learning, growth and achievement. At PM SHRI Kendriya Vidyalaya Hiranagar, we believe that education is about nurturing curious minds, strong character and confident individuals.

I appreciate the dedication of our teachers, the enthusiasm of our students and the unwavering support of our parents. Together, let us continue to inspire, innovate and excel, creating a brighter future for every learner.

"Learn with curiosity, lead with values, and shine with confidence."

UIDYAPRAVESH – FOUNDATIONAL STAGE (GRADE 1)

WELCOME AND
ORIENTATION

- Warm greetings to all students and parents! 
- The journey of learning begins with joy, curiosity, and creativity.
- Vidyapravesh marks the first step into the world of formal education.

VIDYALAYA VISIT

Children explored different areas of the school – classrooms, library, and playground.

- *They met teachers and interacted with school staff.*
- *The visit helped them feel comfortable and excited to learn in their new environment.*

WHAT WE'RE LEARNING

CLA

CREATIVE LEARNING ACTIVITY

SHIVAJI HOUSE

TAGORE HOUSE

ASHOKA HOUSE

RAMAN HOUSE

Learn

Create

Celebrate

HOUSE MEETING

About the activity

Students meet in their houses to interact, plan activities, share ideas and build cooperation, leadership and house spirit

Learning focus

Leadership

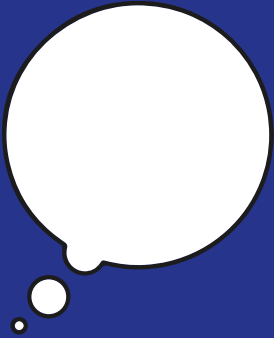

Teamwork

TEMPLE VISIT

A guided visit encourages children to learn about local heritage, architecture, traditions and respectful community behaviour.

CLASS MONITOR ELECTION

ABOUT THE ACTIVITY

Students participate in a simple democratic process by choosing class monitors and learning about responsibility and leadership

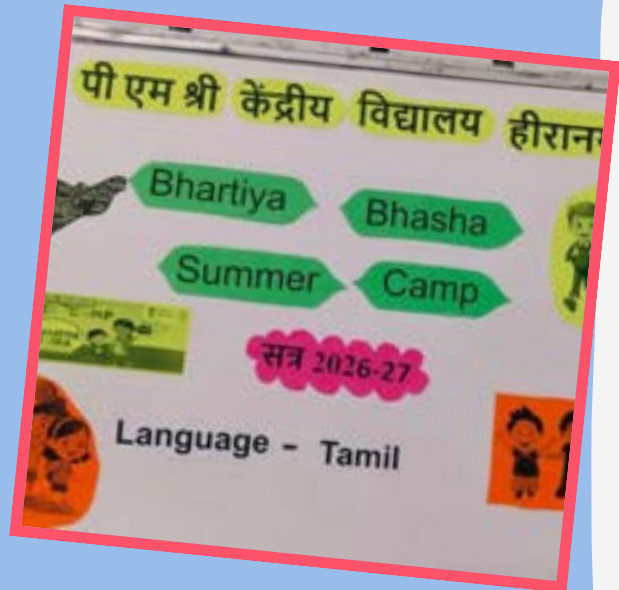

Announcements

"Students experience democracy in action through class monitor elections, nurturing leadership, responsibility and confident decision-making."

Bhartiya Bhasha Camp

A joyful language-learning experience introducing children to India's rich linguistic diversity through games, words, songs and activities.

Participation • Creativity • Joyful Learning

Ek Ped Maa Ke Naam Campaign

Students plant and care for a tree as a meaningful environmental action, connecting nature, responsibility and care for the future.

- Planting and caring for a tree inspires students to value nature, embrace responsibility and contribute to a greener future.

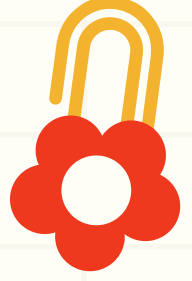

नन्हे हाथों ने पौधा रोपा,
धरती से अपना नाता जोड़ा।
सींचा उसे स्नेह और दुलार से,
सपना सजाया हरित संसार का।
प्रकृति की रक्षा, भविष्य का मान,
वृक्ष बने जीवन की मुस्कान।

Calligraphy

What We Learned

Students practise neat, beautiful handwriting through guided lettering and presentation activities.

सुंदर लिखावट, सुंदर विचार,
अच्छे शब्दों से बने संस्कार।
अक्षर-अक्षर मोती जैसे,
लिखें सभी सुंदर और सलीके से।

Beautiful letters, beautiful thoughts,
Neat handwriting shows what we've got.
Write with care, write with pride,
Let every letter shine with grace.

JAL

PAKHWADA

Student Spotlight

Awareness and hands-on activities promote water conservation, responsible use of water and simple water-saving habits.

International Yoga Day

What We Learned

Students practise simple yoga postures, breathing and relaxation to encourage concentration, flexibility and well-being

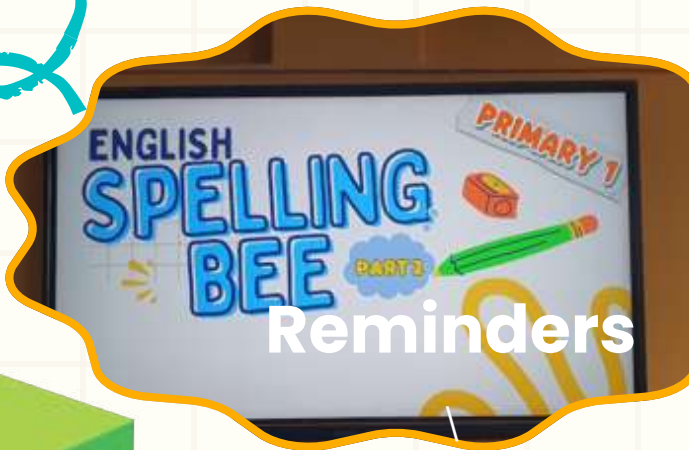

Spell Bee Competition

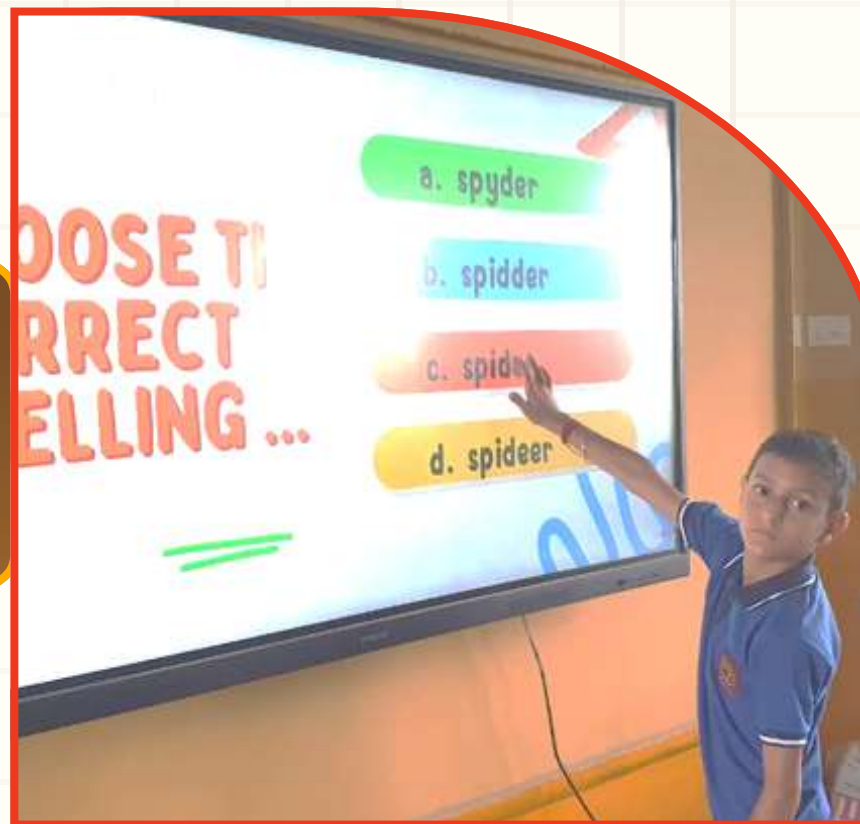

What We Learned

A fun word challenge strengthens spelling, vocabulary, pronunciation and confidence in using language

Reminders

NASHA MUKT BHARAT ABHIYAN

Age-appropriate awareness activities help students understand healthy choices, self-care and the importance of staying away from harmful substances.

Independence Day Celebration

Patriotic activities, cultural presentations and student participation celebrate India's freedom and inspire pride, unity and responsibility.

तिरंगे की शान, देश का अभिमान,
वीरों के बलिदान को शत-शत प्रणाम।
स्वतंत्रता के रंग में रंगा हर मन,
गूँजा भारत माँ का जयगान।
आज़ादी का पर्व मनाएँ,
देशप्रेम की ज्योति जलाएँ।

SANSKRIT SAPTAH

rivo V40 |

24mm 1/1.88 1/108s ISO1
08/25/2024, 08

Students explore Sanskrit through simple words, shlokas, activities and cultural expressions, developing appreciation for India's classical language.

Hindi Maah

What We Learned

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Suspendisse sed purus hendrerit, consequat eros at, faucibus leo. Duis ornare tempus lacus id porta.

Puppet Making Competition

Children design and create puppets using simple materials, developing imagination, craft skills and storytelling potential.

Rakhi Making Competition

Students create colourful handmade rakhis while exploring creativity, fine-motor skills and the spirit of caring relationships.

Matki Decoration Competition

Children decorate matkis using colours, patterns and craft materials, blending traditional art with imagination.

EXTEMPORE COMPETITION

Students speak spontaneously on a given topic, developing quick thinking, vocabulary, confidence and public-speaking skills.

STORY WRITING COMPETITION

Students create original stories using imagination, characters and meaningful ideas while strengthening written expression.

* Cooking Without Fire

Students prepare simple no-fire dishes while learning about nutrition, hygiene, safe food handling and teamwork.

Birthday Student – Birthday Card

On a student's birthday, a birthday card is presented, creating a warm, inclusive and caring classroom culture

COMMUNITY PARTICIPATION

Our school actively engages with the community through meaningful activities.

Students learn the values of cooperation, empathy, and social responsibility.

Community participation helps connect classroom learning with real-life experiences.

It encourages students to contribute positively to society.

Together, we learn,
care, share, and
grow.

Best Practices in Primary Education

Fostering Curiosity, Creativity,
and Conceptual Understanding
in Young Minds

Teaching Philosophy

We believe in experiential learning, active student engagement, and creating a supportive classroom environment where every child feels confident to explore and express.

PM SHRI KV HIRANAGAR

CLASS 5 – SUBJECT: TWAU

21st Century Skills – NEP2020

Topic: Microscopy

DATE: 24th April 2026

OBJECTIVE:
Understand the use of microscopes to observe microorganisms, relating environmental studies and health.

Skills Developed:

- Critical Thinking
- Scientific Inquiry
- Creativity
- Innovation

Summary:
Students explored microorganisms using a microscope, discussing their health and the environment.

21st Century Skills in Action:

- Problem-solving
- Analytical thinking
- Observation & inquiry
- Real-world application

Photo Caption:
Exploring microorganisms, cultivating curiosity and 21st century skills!

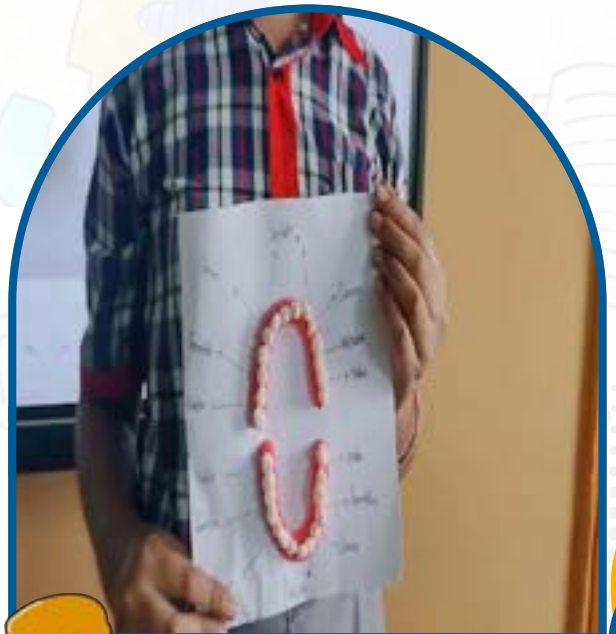

Photo Caption:
Exploring microorganisms, cultivating curiosity and 21st century skills!

Aligned with NEP2020: Fostering inquiry and scientific temperament among young learners.

Learning Through Clay

To understand the different types of human teeth (incisors, canines, premolars, and molars), students participate in a tactile clay modeling activity.

STORYTELLING WITH ROLE PLAY

- Experiential & Competency-Based approach
- Builds communication, creativity, empathy
- Interactive pedagogy with digital panel support
 - Promotes multilingualism & inclusivity
 - Strengthens foundational literacy & comprehension

Mastering Action Words

FOUNDATIONAL LITERACY AND NUMERACY

 Building strong foundations
for lifelong learning!

 Through engaging activities, joyful learning and meaningful experiences, our young learners develop essential reading, writing and numeracy skills. The focus is on making learning interactive, experiential and enjoyable, helping every child become a confident reader, writer and problem-solver.

 "Strong foundations today,
confident learners tomorrow."

Reading – Unlocking the World of Words

Through joyful reading activities, storytelling,
read-aloud sessions and regular practice, our young
learners are
developing fluency, vocabulary and confidence.
Each page they read opens a new window to imagination,
knowledge and expression.

NUMERACY - BUILDING NUMBER SENSE

**"STRONG NUMBER SENSE TODAY,
CONFIDENT PROBLEM-SOLVERS
TOMORROW."**

**THROUGH HANDS-ON ACTIVITIES, GAMES, PUZZLES AND REAL-LIFE
EXPERIENCES, STUDENTS STRENGTHEN THEIR NUMBER SENSE AND
DEVELOP SKILLS IN COUNTING, CALCULATION, PATTERNS AND
PROBLEM-SOLVING. LEARNING NUMBERS BECOMES MEANINGFUL,
JOYFUL AND ENGAGING.**

Celebrating Our Journey!

As we turn the pages of this newsletter, we celebrate the moments that made our year meaningful. Each achievement, activity and experience reflects the enthusiasm of our learners and the dedication of our educators.

BEYOND BOUNDARIES

“Every day is a new page; every learner, a story waiting to unfold.”

Every activity gives every
child a chance to learn,
participate and shine.
