2. Daily read the textbook first 5 lessons daily

3. Paste different types of leaves and write their name in Tamil, english and hindi

ART

Follow the instructions and create at least 3 or 4 art pieces from the given list.

Share the name, week number, art activity name, and a few sentences about your art in the format as shown on the next page.

I.Free Art : Draw or paint anything you like using any colours. Work neatly, fill colours properly, and keep your area clean. Write 2–3 lines about your drawing.

II.Leaf Printing : Apply colour on a leaf and press it on paper to make prints. Use different leaves and colours to create a design. Clean your area and write 2–3 lines.

III.Origami : Fold a square paper to make a simple shape like a boat or bird. Press folds neatly and decorate it. Keep your area clean and write 2–3 lines.

IV.Paper collage : Take an A4 sheet and some old magazines or coloured paper. Tear or cut small pieces of paper and paste them to make a picture like a house, tree, or family scene. Arrange the pieces neatly and fill the space with colours. Keep your work clean.

V.Draw a story scene : Think of your favourite story. Draw one scene from the story on a sheet of paper. Colour your drawing neatly. You can also write 2–3 lines about the scene.

VI.Vegetable printing : Take vegetables like potato, ladyfinger, or onion. Apply colour on one side and press it on paper to make prints. Repeat to create different patterns or designs. Keep your area clean after finishing.

VII.Waste material craft : Collect waste materials like old boxes, bottles, or paper. Use them to make something useful or creative like a pen stand or toy. Be careful while using scissors and keep your area neat.
