Note: The numeral outside the bracket denotes the number of questions and the numeral inside the bracket denotes the marks.

AR:- Assertive Reasoning Based.

There will be an internal choice in * marked questions in each section. Internal choice in Sections B, C, and D will be 2, 3, and 2 questions respectively. Marks distribution in case study-based questions (Q. No. 36 and 37) will be 1+1+2* and in question No. 38 will be 2+2.
