

PM SHRI KENDRIYA VIDYALAYA CHENNEERKARA

Opening of Humanities Stream for the Academic Session 2026–27

With immense pride and great pleasure, PM SHRI Kendriya Vidyalaya Chenneerkara announces the introduction of the Humanities Stream in Senior Secondary Class XI from the Academic Session 2026–27.

This significant milestone marks yet another step in our continuous Endeavor to broaden the horizons of learning and empower our students with diverse academic pathways. The Humanities Stream will provide young minds with a vibrant platform to explore subjects that nurture critical thinking, creativity, social awareness, and leadership qualities.

Students opting for Humanities will have the opportunity to delve into disciplines that illuminate society, culture, governance, and human behaviour, thereby preparing them for promising careers in civil services, law, academia, journalism, psychology, social sciences, and numerous emerging fields.

This noble expansion reflects our commitment to holistic education and our resolve to shape socially responsible, intellectually enlightened, and ethically grounded citizens.

Parents and students seeking further details regarding subject combinations and admission procedures may contact the Vidyalaya office during working hours.

Let us together embrace this new chapter in our journey of excellence.
