1. Inspection of Items

- Interested participants may visit the Vidyalaya before the auction date during working hours to inspect the items.
- Items shall be offered on an “AS IS, WHERE IS” basis. Participants are advised to satisfy themselves about the condition, quantity and usability of the items before participating.
- No claim regarding condition, quality, quantity or usability shall be entertained after the auction.

2. Eligibility and Documents

- Participants shall provide valid identification and applicable business registration documents as required by the Vidyalaya.
- PAN and GST registration details, wherever applicable, shall be produced/submitted.
- Participants intending to handle ICT/electronic items or e-waste must hold valid registration/authorization applicable to their role under the prevailing E-Waste (Management) Rules and CPCB/concerned State Pollution Control Board requirements.
- Only eligible/authorized entities may collect, transport, refurbish, dismantle or recycle e-waste, as applicable.

3. Auction Procedure

- The auction shall be conducted through competitive bidding among eligible participants present at the Vidyalaya.
- Where more than one eligible participant is interested in an item/lot, competitive bidding may proceed through successive bids.
- The auction committee/competent authority shall conduct and record the proceedings.
- The decision of the competent authority regarding conduct of the auction and eligibility shall be final, subject to applicable KVS rules/instructions.

4. Payment and Removal of Items

- The successful bidder shall deposit the accepted auction amount within the time specified by the Vidyalaya.
- Applicable taxes, duties, loading, transportation and incidental expenses, if any, shall be borne by the successful bidder unless otherwise specified in writing.
- The successful bidder shall remove the items within the period specified by the Vidyalaya.
- The bidder shall arrange labour, loading, transportation and safe removal of the items.

5. E-Waste / ICT Material — CPCB Compliance

- Electronic and electrical items classified as e-waste shall be handled and channelized in accordance with the E-Waste (Management) Rules, 2022, as amended, and applicable CPCB/State Pollution Control Board requirements.
- Where the material is e-waste, it shall be handed over only to an entity registered/authorized for the relevant activity under the applicable rules. A bidder who is not eligible to handle e-waste shall not dismantle, process, recycle or otherwise dispose of it.
- The successful bidder shall ensure safe collection, loading and transportation, avoiding breakage, leakage, scattering or any activity that may cause harm to human health or the environment.
- E-waste shall be sent through authorized channels for refurbishment/recycling/processing, as applicable; informal dismantling, open burning, dumping or other environmentally unsound disposal is prohibited.
- The Vidyalaya may require copies of relevant registration/authorization and documentary proof of lawful handover/recycling or a disposal certificate, wherever applicable, for its records.
- Any batteries, lamps or other separately regulated waste contained in the lot shall be handled in accordance with the applicable waste-management rules and routed to authorized entities.

6. General Conditions

- Employees of Kendriya Vidyalaya Sangathan and members of their family shall not participate in the auction process.
- The Vidyalaya reserves the right to cancel, postpone, modify or withdraw the auction, wholly or partly, without assigning any reason, subject to applicable rules.
- Auction and disposal shall be carried out in accordance with applicable KVS instructions/guidelines, including those referred to in the Regional Office approval order.
- Condemnation/disposal records and relevant Asset/Stock Register and account entries shall be dealt with as per applicable KVS procedure.
- Any matter not specifically covered herein shall be decided by the competent authority in accordance with applicable KVS rules/instructions.
