The Deputy Commissioner
Kendriya Vidyalaya Sangathan
All Regional Offices

Subject: Training of Teachers teaching STEM Subjects in Non PM SHRI KVs at IISc Challakere Campus- regarding.

Sir,

Kendriya Vidyalaya Sangathan (KVS) has collaborated with the **Indian Institute of Science (IISc), Challakere Campus**, for capacity building of teachers teaching **STEM subjects in Non-PM SHRI Kendriya Vidyalayas**. The IISc Challakere Campus is located on Challakere-Nayakanahatti Road, near Khudapura village, Challakere Taluk, Chitradurga District, Karnataka 577536.

Under the collaboration, teachers belonging to the following eight cadres will be trained:

1. PGT - Physics
2. PGT - Chemistry
3. PGT - Mathematics
4. PGT - Biology
5. PGT - Computer Science
6. TGT - Mathematics
7. TGT - Science
8. TGT - Work Experience

The **first batch of the residential training programme is scheduled from 05.10.2026 to 09.10.2026** at IISc Challakere Campus. The training programme will be conducted in **14 batches**. The schedule and participant lists for all the batches are enclosed in advance to enable the Kendriya Vidyalayas concerned to plan their academic activities accordingly during the period when the teachers will be away for training. While preparing the batch-wise allocation, due care has been taken to ensure that **only one teacher from a particular Kendriya Vidyalaya is included in a batch**. However, in case any discrepancy is noticed in the participant list or more than one teacher from the same Kendriya Vidyalaya is found included in a particular batch, the Regional Office concerned may make suitable changes in the batch allocation, as required, and intimate this office accordingly.

You are requested to kindly ensure that the Kendriya Vidyalayas concerned under your jurisdiction are informed accordingly and that the nominated teachers are deputed to attend the residential training programme as per the schedule. It may also be ensured that all teachers teaching STEM subjects in Non-PM SHRI Kendriya Vidyalayas attend the training programme. The participating teachers may be advised to make necessary arrangements for travel and other related requirements as per applicable KVS rules and to **report at IISc Challakere Campus in the afternoon of 04.10.2026.**

Detailed guidelines for the participants are enclosed for necessary information and compliance.

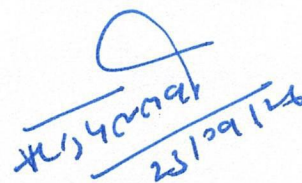

TA/DA to the participants will be admissible as per KVS norms.

This issues with the approval of the competent authority.

Yours Sincerely,

Encl.:

1. Batch-wise schedule
2. Guidelines for Participants

(Dr. Ritu Pallavi)

Assistant Commissioner (Training)
