REPORT ON NATIONAL CHILDREN'S SCIENCE CONGRESS (NCSC) 2026

Kendriya Vidyalaya Sayli, Silvassa, organized the School-Level Exhibition under the National Children's Science Congress (NCSC) 2026 with enthusiastic participation from students of both the Junior Group and the Senior Group. A total of **10 students participated in the school-level exhibition**, presenting innovative and research-oriented projects covering all five themes of NCSC 2026.

The exhibition provided a platform for students to develop scientific temper, creativity, critical thinking, problem-solving skills, and a spirit of scientific inquiry. The projects reflected the students' efforts to identify real-life problems, explore scientific solutions, and present their findings through systematic investigation and experimentation.

Following the school-level exhibition, **nine projects were shortlisted and forwarded to the KVS Regional Level Competition of Ahmedabad held at KV NO.1 Harni Baroda, for consideration at the Regional Level.** These included five projects from the Senior Group and four projects from the Junior Group.

It is a matter of great pride and achievement for the Vidyalaya that **three projects out of the nine projects submitted at the Regional Level were selected for the National-Level NCSC 2026**, enabling the selected students to represent the Ahmedabad Region at the National Level. The selected students are:

1. **Nandita – Class XI (Science), Senior Group**
2. **Aradhaya – Class IX, Senior Group**
3. **Alia – Class VII, Junior Group**

This remarkable achievement highlights the scientific curiosity, dedication, creativity, and hard work of the students, along with the valuable guidance and encouragement provided by their guide teachers. The selection of three projects for the National Level is a significant accomplishment for the Vidyalaya and reflects its commitment to promoting scientific learning, innovation, and experiential education.

The Vidyalaya congratulates all the participating students, the three selected students, their guide teachers, and the entire team associated with the successful conduct of the exhibition. The school wishes the selected students every success as they represent the Ahmedabad Region at the National-Level NCSC 2026.

Conclusion: The participation and selection of projects at successive levels of NCSC 2026 have been a source of immense pride for Kendriya Vidyalaya Sayli, Silvassa. The Vidyalaya remains committed to nurturing young scientific minds and encouraging students to contribute innovative ideas towards addressing contemporary challenges through science and technology.
