

Art Activities

This report provides an overview of the art activities involving poster making and wall painting. It aims to evaluate the outcomes, participant engagement, and overall impact of these activities.

During this period, a series of creative art activities were conducted, including poster making workshops and community wall painting projects. These activities aimed to foster artistic skills, enhance community engagement, and promote visual expression.

- Title: Poster Making Workshop"
- Participants: VI th to IX & XI
- Objective: To teach participants the basics of poster design and provide a platform for them to express their ideas visually.
- Description: The workshop included a brief introduction to design principles, a demonstration of various techniques, and a hands-on session where participants created their own posters. Supplies included paper, markers, paints, and stencils.
- Outcome: Participants produced a range of creative posters. The workshop ended with a mini-exhibition of the posters created, which was attended by the local community.

Activity 2: Community Wall Painting Project

- Title: : Wall Painting Project"
- Participants: Art teacher with 9th class students
- Objective: To enhance the aesthetic appeal of a community space and foster a sense of pride and ownership among residents.
- Description: Volunteers and artists worked together to design and paint a mural on a prominent wall in the community center. The design, chosen through a community vote, featured vibrant colors and motifs reflecting local culture and history. The project spanned over two weekends.
- Outcome: The mural has become a popular photo spot and has received positive feedback from residents. It has also served as a catalyst for additional community engagement activities
