

Various activities are being undertaken by the members of ATAL Lab in the school. Students are participating in various state level and national level competitions.

In 2025, Gayathri Varrier of class XI, was selected for the final level of YOUNG SCIENTIST INDIA competition organized by SPACE KIDS INDIA. She made a SMART PILL BOX that can remind patients to take medicines and check their vitals at correct times as well as send emergency alerts .

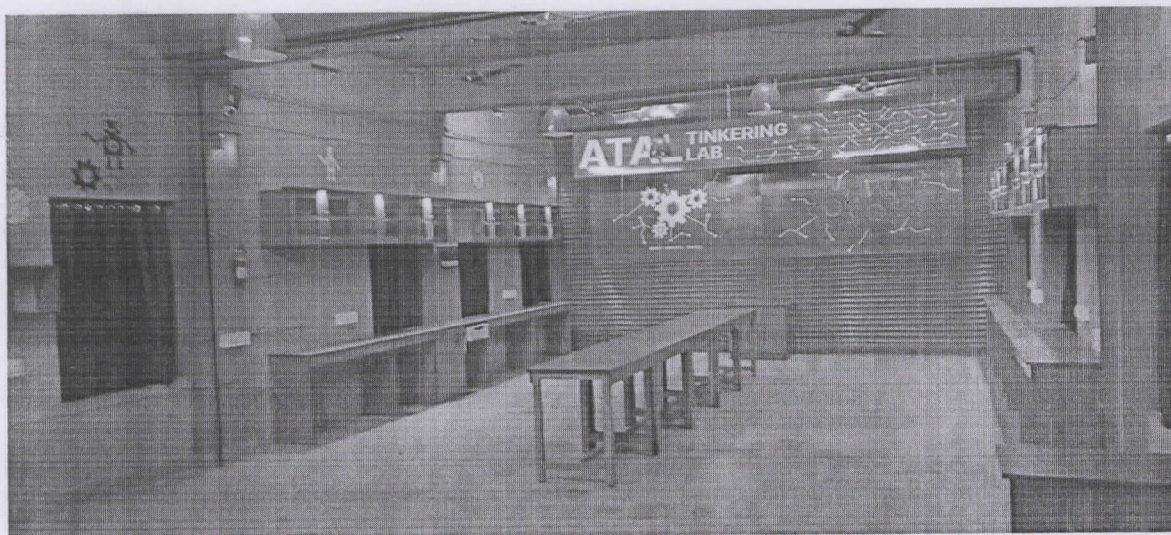

The team of Gayathri Varrier and Sourag cleared the first level of PRAYAAS organized by NCERT.

Alka Sudheesh of class XI has cleared the preliminary level of YIP 8.0 The project is a model for waste management from water bodies.

25 teams participated in Vikasit Bharat Buildathon 2025 and result is awaited.

One team led by Dhananjay T S of class XI A represented Ernakulam Region in KVS National level RSBVP 2025.

ATL Lab is undergoing renovation funded by PM SHRI scheme and will provide the real ambience for innovation once the work is over

Registration and submission of ideas for INSPIRE 2026 and YIP 9.0 are going on .
